## Vision

To become a world class Educational center of the Nation for Engineering, Technology, Computer Applications and Management with moral and professional standards to serve the community at large.

## Mission

- To achieve academic excellence in Engineering, Technology, Computer Application and Management Education.
- To inculcate high moral and professional standards among our students.
- To develop the overall personality of our students.
- To promote Industry Institute Interaction through more number of collaborative programs with Industries, Research and Development centers.
- To venture for sustained placement for our students through campus interviews.

## Vision

To be a centre of excellence for Education, Innovation and Research in Engineering, Technology and Management and to encourage Entrepreneurship with ethical and professional standards to benefit the society at large.

## Mission

- To create a better learning environment to produce competent and innovative professionals with sound technical knowledge and management skills.
- To instill ethical and social values among the students to contribute to the global technological and socio-economic development.
- To inculcate qualities of leadership and entrepreneurship in students to improve their employability and achieve sustained placement through campus interviews.
- To provide opportunities and resources through consistent Industry-Institute Interaction for Research and Development in the emerging fields.

## Silver Jubilee

### St. Joseph's Group of Institutions

## *Incredible Journey of 25 Years*

The sprawling lush green area of around 120 acres with elegant infrastructure, meant for a unique ambience of learning, has been dedicated in the process of nation building and man making. It renders the utmost service in the field of science and technology. A visionary, a benefactor and a meticulous thinker in our honorable **Chairman Dr. B. Babu Manoharan**, has indelibly engraved the name of our institution in the mammoth mountain of time. Under his perseverance and impeccable stewardship, this prestigious institution of ours reached a mile stone of 25 successful years.

- It was a modest **beginning for us in the year 1994 with an intake of 160 students in 3 departments namely ECE, Chemical and ICE**, affiliated to Madras University.
- The inclusion of major branches like Computer Science Engineering, Electrical and Electronics Engineering, Information technology and Mechanical Engineering in the year 1998-1999 increased the intake to 380 students in 7 branches.
- The addition of another two branches, Electronics and Instrumentation Engineering and Bio-Technology, took the tally of intake in to 570 students per year in the year 2000-2001.
- Our institution offered **P.G courses in the**

**year 1995-96 itself**, to begin with we had **MBA and MCA courses**. Soon after many of the engineering departments started to offer Post graduate Engineering programs under various specializations since 2003.

- **We had started first Ph. D program in 2007**, as Anna University Recognized Research Center.
- We have flourished into a group of educational institutions **“St. Joseph's Group of Institutions”** with the formation of **“St. Joseph's Institute of Technology”** in the year 2011, which has become “a jewel in the crown”, a euphoric milestone in our 25 years of successful journey.
- Currently offered courses in engineering category in our institutions are:
  - **St. Joseph's Institute of Technology : 6 UG, 1 PG**
  - **St. Joseph's College of Engineering : 10 UG, 6 PG**
- Also St. Joseph's College of Engineering offers **2 M.B.A** courses and **5 Ph.D.** programs through Anna University Research Centers.
- At present, our group has a massive students' strength of **8048 in UG** programs, **460 in PG** programs and **110 in Doctoral** programs

## QUALITY IN EDUCATION

We believe in standard practices, rich discipline, virtuous guidance and quality implementations to lead this institution as an epitome of learning.

We have applied and got NBA Accreditation since 2003 and **currently all the UG courses except B.E Civil in both the institutions are NBA accredited**, which is the recognition indicating fulfillment of engineering quality standards..

- St. Joseph's College of Engineering has been continuously participating in "National Institutional Ranking Framework (NIRF)" constituted the Ministry of HRD, Government of India, for ranking all IITs, NITs, IIITs, Technical Universities, Deemed universities and Engineering colleges under one framework and our college has secured
  - **97<sup>th</sup> position in the first NIRF 2017**
  - **Rank frequency band 100-150 in NIRF 2018.**
  - **128<sup>th</sup> position in NIRF 2019.**
- We have also applied for accreditation by another body, namely NAAC and are awaiting for the peer NAAC committee visit in June 2019.
- Received Anna University **IPR excellence Award in 2016** for the years 2010-15.
- Recognized as a **Scientific and Industrial Research Organization by DSIR and DST since 2012**

## INFRASTRUCTURE

- In 1994 we functioned in just one building of 10,000 sq. that housed class rooms, office and library. With the steady growth of the infrastructure to cater to the academic and administrative needs, now our institutions' **Total Built up Area is 26,63,500 sq.ft**
  - **St. Joseph's college of Engineering: 14,91,000 sq.ft**
  - **St. Joseph's Institute of Technology: 11,72,500 sq.ft**

- The Total carpet area of the Class Room Blocks of both the colleges are
  - **St. Joseph's college of Engineering : 2,85,000 sq.ft with 141 classrooms**
  - **St. Joseph's Institute of Technology : 1,44,000 sq.ft with 82 classrooms**
- We have exclusive Lab Blocks for Labs which have all the upgraded equipments and machineries. **Total carpet area of the Lab Blocks of both the colleges is 5,17,000 sq.ft**
  - **St. Joseph's Institute of Technology : 2,60,000 sq.ft**
  - **St. Joseph's college of Engineering : 2,57,000 sq.ft**
- All Labs are supported by uninterruptible power supply (UPS) systems
- Each of the Class Rooms with an average carpet area of 1800 sq.ft is provided with lecture delivery support systems like LCD, CPUs, OHPs, and Podiums with PAS. Each department is also having a Smart ICT Class Room.
- The **Administrative Block** constructed in the year 2002 stands as an example of structural grandiose with incredible infrastructure, as an administrative hub, with air conditioned. Currently, the Administrative Blocks' area of our institutions are
  - **St. Joseph's college of Engineering : 60,000 sq.ft**
  - **St. Joseph's Institute of Technology: 36,000 sq.ft**
- **St. Joseph's college of Engineering has 1340 Computer terminals** of latest configuration with advanced software and dedicated Internet leased lines with 175 Mbps Whereas **St. Joseph's Institute of Technology has 650 Computer terminals** of latest configuration with advanced software and dedicated Internet leased lines with 100 Mbps. Both the colleges have Wi-Fi connectivity.
- Dedicated **Power Generators** consisting of 5 units with a total capacity of **2265 KVA** to ensure uninterrupted power supply

- An **exclusive Exam Block** which could accommodate more than 1000 students, at a time, along with a DTP center clubbed Controller office covers an area of **50000 sq.ft** in St. Joseph's Institute of Technology and **35000 sq.ft** in St. Joseph's college of Engineering.
- Interior decorated and well-furnished Conference halls of total area of 82000 sq. ft have been in our institutions attracting appreciation from the intellectuals and industrial verticals for intensive interaction. The minimum seating capacity of Conference Halls with A/C and upgraded sound systems varies from 400 to 1200 students. The total area of Conference Halls are
  - **St. Joseph's Institute of Technology: 40,000 sq.ft with 5 Conference Halls**
  - **St. Joseph's college of Engineering: 42,000 sq.ft with 7 Conference Halls**
- Both the colleges have air conditioned **Indoor Auditoriums** of minimum seating capacity of 3000 students while the new one constructed in 2017 have a seating capacity of 6000 students. The Indoor Auditorium Carpet area is
  - **St. Joseph's Institute of Technology : 60,000 sq.ft**
  - **St. Joseph's college of Engineering : 35,000 sq.ft**
- **Mega RO plant opened in 2005** gives the uninterrupted supply of hygienic portable water for all places in our colleges.
- **Sewage Treatment Plant** has been set up in 2005 with an output of **2.1 Lakhs liters per day** and treated water is reused for gardens.
- Special attention has been given to health and so we have created three type of Gyms in our college namely **Basic Gym, Advanced Gym and Special gym for women**
- Our college campus has **Dispensary** with exceptional medical facilities with full time **Nurse and Doctor**. Also we have MOU with

nearby Chettinad Health City Hospital to give best medical care to our students.

- **Indian Bank Branch Extension counters** have been functioning in our campus started from the year 2004. Now both the colleges are having separate **ATMs** for girls and boys students and Money deposit machines also.
- St. Joseph's believes in honoring the differences through our **Tricolor Trinity**. **Places of worship** for different religions are represented in the Trinity in their proud colours and traditional forms

## FACULTY

St. Joseph's is enriched with a passionate team of well qualified faculty with excellent academic background, domain knowledge and expertise clubbed with experience.

- In the year of inception 1994, our college had only 11 faculty members. St. Josephs strongly believes that continuous updating is necessary for maintaining and improving the quality of education delivered. St. Josephs has motivated its teaching and technical faculty members to equip themselves by continuing the education since the year 1997.
- Currently total teaching **faculty members** in this prestigious group of institutions are **487**; **St. Joseph's college of Engineering : 329** **St. Joseph's Institute of Technology: 158**
- Among them
  - **St. Joseph's college of Engineering : 132 are Doctorates & 61 are pursuing Ph.D.**
  - **St. Joseph's Institute of Technology: 40 are Doctorates & 28 are pursuing Ph.D.**
- Every faculty member doing Ph.D. is provided with the privileges of, 225 days leave with salary, during their period of study.
- Faculty members are provided with various

beneficial measures like paid leaves to attend **Quality Improvement program, incentives, medical reimbursements** etc.

- **Average retention of faculty** in St. Joseph's institutions is nearly **above 10 years**.
- Non-teaching and Administrative staff members' children education fees is also reimbursed every year in addition to medical reimbursements and incentives
- All staff members can avail college transport and mess facility at free of cost
- We have completed **Research Projects of worth Rs.1.42 Crores** using grants from AICTE, NRB, DST, DBT, NMRE, TNSCT etc, and for carrying out research of worth Rs. 63 lakhs using grant from AICTE, DST and received Rs. 31.67 lakhs as grant from AICTE, DBT, Anna University, ISTE etc., for conducting FDP and Workshops
- **Scopus index is 29** for the Research Publications of faculty members

## CENTRAL LIBRARY

Our library had only 5000 books and functioned in a single room in the starting year 1994.

Now, **Central library** with Reading Hall and book display space area in

- **St. Joseph's College of Engineering is 35000 sq.ft. and has 47,754 volumes & 13591 titles.**
- **St. Joseph's Institute of Technology is 36000 sq.ft. and has 13,908 volumes & 4,673 titles.**
- E-journal subscription to **211 IEEE and 393 Elsevier Science Direct e-journals** is available in both the institutions in addition to the 200 hard copies of Indian Journals.
- Our e-resources include **DELNET and NPTEL**
- Libraries in both the institutions consist of a **Audio Visual Hall, a Digital library** with required components and also the Reference section.

## BOOK BANK

Book Bank facility started in the year 1999 has more volumes of books that can be used by students throughout the semester in addition to the central library books. They have

- **St. Joseph's College of Engineering : 1,78,552 volumes & 13,241 titles**
- **St. Joseph's Institute of Technology : 34,789 volumes & 450 titles**

## INSTITUTION – INDUSTRY - INTERACTION

We are proud to say that St. Joseph's is the pioneer institution to have persistent and perpetual interaction with industries. We made **Industrial visits, Guest Lecture mandatory since 1996** to prepare students for immediate employment by facilitating the interactions between industrial experts and students through seminars and workshops. We collaborate with industries through activities like **Internship, Project works, Consultancy services and conducting workshops**. More than 60% of our students are doing internships/final year projects in companies every year

There has been an consistent and effective interaction between our institution and the reputable industries through MoU activities. Currently **St. Joseph's Institute of Technology has 21 MoUs and St. Joseph's College of Engineering has 54 MoUs till date**

Some of the significant activities carried out through these MOUs are given below

- **MOU with Cognizant Technology solutions** since 2003 and received sponsorship for Big Data Lab in 2016
- **MOU with Infosys in 2005** and started campus connect program conducted for students and accorded status "PARTNERS in SUCCESS in 2017
- Accorded "Trusted Academic Partner" by **WIPRO** for promoting talent

- **ICT Academy** collaboration in 2015
- **MSME sponsored CDCE Automation Cell** collaboration in 2017 and consultancy
- Research AI group zonal lead partnership with Bennett University, Noida.

## CAREER DEVELOPMENT

- Our Placement Cell was inaugurated in the year 1998. This dedicated Placement and training center has been placing students on an average of **1300 students** every year through its tireless effort and the stringent monitoring from our management. Good placement record is the unique consistent achievement of St. Josephs. We offer several Capability Enhancement Schemes to enrich the knowledge of the students and to make them employable starting from first semester in a structured way. We won National employability award, 2019 from Aspiring Minds.
- **Total number of placement offers obtained by 2018-19 final year students till date is 1579 from 204 companies visited our institutions.**
  - **St. Joseph's College of Engineering : 1146 placement offers**
  - **St. Joseph's Institute of Technology : 433 placement offers**
- **Advisory bureau for higher studies (ABHS), a brain child of our Chairman, plays a significant role in sending the students to IITs, NITs and abroad for higher studies.** Our students have been a fruitful case study to anyone who dreams to learn in any noticeable institution abroad. We have guided the students to crack admission in **U.S, Europe, U.K and Australia.**
- In St. Joseph's college of Engineering, nearly **1792 students** have done their **MS and M.Tech in abroad and 568** of our students acquired their P.G in our nation. These achievements have been made in the last decade between 2008 and 2018.

- As far as St. Joseph's Institute of technology is concerned, 93 of our students have pursued their PG in foreign countries and 74 of them graduated in India, since its inception.
- We train students for **GRE, TOEFL, IELTS, GMAT, CAT, GATE** as well as **Business English Certificate Courses** for the last two decades so that they can explore in all the possible channels leading to a charismatic career.
- **St. Josephs' Entrepreneur Development Cell** guides the aspirants to promote their ideas successfully into products through various cells, forums and Industry.
- **Value Added courses** and workshops add flavor and fragrance to enrich students technical knowledge in modern technical developments
- International conferences have been periodically conducted to keep abreast with the ever changing technological environment. It has been a practice since 2001.
- Our management envisaged the need for the national duty to be performed by the younger generation. Our Chairman has taken up a unique initiative to train students to serve as dedicated Civil servants and the more determined Defense personals. His vision culminated into the formation of
- **St. Joseph's - மனித நேயம் அறக்கட்டளை Civil services Academy** and **St. Joseph's Defense Academy** within our college premises in the year 2017 onwards.

## ACHIEVEMENTS

The quality of Inputs given to the students and the initiatives taken by the institution to make them an inevitable part of the conscience driven society with technological expertise really reaped the fruits.

- **In St. Joseph's College of Engineering, first batch ECE student has bagged Gold Medal**

in 1998. Our students have secured totally **1348 University Ranks** out of which **57 are Gold medals and 49 are silver medals** in these two and half decades of our Journey of Purpose. We have been bagging on an average of 100 ranks per year also with a minimum of 4 gold medals. The highest being in the year **2018 with 124 university ranks with 4 Gold medals and 4 silver medals.**

- Our new institution **St. Joseph's Institute of Technology also keeps producing an average of 10 ranks each year.** We expect a possibility of 20 University ranks this year which probably includes a couple of gold and silver medals.
- Our students has bagged **26** innovative students project awards at national level for their final year projects from **Indian National Academy of Engineering (INAE), New Delhi and ISTE since 2005.**
- We have secured **Outstanding Institution Award in 1<sup>st</sup> AICTE - ECI Chhatra Vishwakarma Awards 2017**
- Our students of both colleges have Won prizes at the national level **"Hackathon competitions" conducted by Ministry of Human Resources Development** during the past three years and received prizes worth of 6 lakhs.

## CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

We sincerely hope our students would give their commitment in all their future endeavors.

- **Annually National level Technical symposiums, Cultural competitions and Sports events** are the additional regular features of our academic schedule since 1997. Various such events are being conducted to hone the skills of the students. The organizing skills and the ability to work as a team are being refined in addition to knowledge sharing with the fellow student community from other colleges.

- We are conducting a unique platform **Intra Department Symposium** to identify the teams and their performance in various technical events. Those students are given additional care and motivation to excel in intra level competitions
- Our students have won prizes in many competitions at National and international levels every year. The total strength of these Achievers is increased to 2708 in the current year 2019. These achievers are appreciated and honored on an exclusive **'Achievers Day' since 2011.**
- **The cultural clubs, literary clubs, technical clubs, environmental clubs** promote awareness among the students on value systems.
- **27 students' chapters of various professional bodies like IEEE, CSI, BSRI are functioning actively in our institutions**

## SPORTS ACADEMY

St. Joseph's Sports has an enviable and admirable track record in producing world class sportsmen.

- The gymnasium, indoor courts and the sports village are an exemplary infrastructure in the premises and it is a pride for every Josephian sports person. An area of 30 acres is dedicated for sporting activities. Our institutions are organizing the sporting events at Institution, State and National level.
- More than 3500 students have been molded so far under sports quota. The training facilities, hostel accommodation, nutritional food and education are given at free of cost to these sports students from 2001 onwards.
- Few of our remarkable achievements by attaining Overall championship consistently for 14 years from 2002 to 2016 in
  - TIES (Tamil Nadu Inter-Engineering Sports)
  - Anna university inter-zonal tournament

• JETS(Jeppiar Educational Trust Sports)  
Oue eminent sports students who have outclassed in international events and games are

- **Ms. Y. Prathiba - MCA / (2003-2006)**  
Chess - Woman International Master
- **Mr. P. Karthikeyan - IT / (2007-2011)**  
Chess - International Master, Common wealth games medalist
- **Ms. D.V Sneha - BioTech / (2007/2011)**  
Table Tennis - Participated in the Jr. World Championship
- **Mr. G. Sathyan - IT / (2010-2014)** Table Tennis - Arjuna Awardee, Common wealth games medalist,
- **Ms. G. Gayathri - MBA/(2011/2013)**  
Athlete - Jr.Common wealth Game medalist
- **Ms. C.A. Bhavani Devi - MBA / (2016-2018)** Fencing - Got Bronze medal in 18<sup>th</sup> International Open fencing Championship

St. Joseph's group of institutions established **St. Joseph's Sports Academy in the year 2003**

- **St. Joseph's volleyball Academy** in the year 2013 was established to enrich the sports activities in our society
- Around 300 students are being enlightened by integrating various educational institutions both schools and colleges across Tamil Nadu.
- The identified students are given scholarship for their sports activities, free professional education with accommodation. This makes economically backward students to focus on their sports activities and their education. The students from the academy have brought laurels to the Nation in **Asiad and Common Wealth games**. **Ms. M. Gomathi, the Gold medal winner of 800m sprints, in the recently concluded Asian Games 2019, Doha, Qatar,** has started her carrier in our academy. The remarkable achievements of academy students are
  - **Ms P.M. Thabitha claimed two gold**

**medals in long jump and 100 m hurdles in the Asian youth athletics championships in Hong Kong 2019.**

- **Mr. Premkumar got silver medal in long jump in Asian indoor Athletic championship held at Doho 2016**

## MESS AND BUS

An admirable aspect of our group of institutions is the hostel, mess and bus facilities. The delicious food served in our mess is exemplary.

- **Spacious Mess halls** are available with areas of **60,000 sq.ft and 70,000 sq.ft** respectively, including the dining hall, kitchen, ice cream parlor, bakery and all other facilities, in both the institutions, St. Joseph's college of Engineering and St. Joseph's Institute of Technology.
- Apart from this an exclusive vegetarian dining hall with seating capacity of 400 students per batch is available. Food is cooked hygienically like cooking rice with steam. **A Bakery, Juice Stall and Chat Corner** with an array of freshly prepared pastries, baked goods, juices and chat items fulfill all culinary cravings. Vegetarian, Diet vegetarian and Non vegetarian food is served every day
- Both the institutions have **hostel for boys and girl students**, each with separate block for first year students. The spacious hostel rooms with attached bathrooms and all essential amenities like cots with mattresses, geysers, telephonic lines.
- In **St. Joseph's College of Engineering, the boys' hostel area is of 4,35,000 sq. ft and has 342 rooms spread over three floors** The **girls' hostel is of 2,80,000 sq. ft and has 250 rooms** spread over three floors.
- The same facilities in **St. Joseph's Institute of Technology, occupies a total area of 2,06,000 sq.ft and 3,10,350 sq.ft for girls and boys respectively. 240 rooms are available for boys and 180 rooms for girls** spread over four floors.

- All hostels are provided with the facilities like internet connectivity, washing and ironing, gym and recreations.
- Hostel Guest House Facilities are extended to parents of hostel students for one night stay with prior booking
- Our college buses are being operated to every nook and corner of the city and to the sub-urban areas. **A fully equipped workshop** with experienced mechanics carefully maintains our buses in good condition. We started our transportation with 9 buses at our initial stage, now there are **around 130 buses being operated** every day to have a hassle free journey. Diesel bunk inside the campus supplies diesel for all our buses.
- During the past seven academic years more than **100 NGOs, including 80 orphanages, 15 old age homes and 10 CP children homes in and around Chennai have been visited** by our student volunteers.
- The **Non-formal English Club** is a unique Club for the first year Hostel students who are from Tamil medium, vocational groups, rural areas and other students who find it difficult to speak in English. This club fully organized by 2<sup>nd</sup> and 3<sup>rd</sup> year students in the hostel for honing their communication skills to speak fluently in English but also for equipping themselves for placements in good companies

## EXTENSION ACTIVITIES

The NSS and YRC units certainly counsel the turbulent mind set of the tender technocrats and tame them to lead this game of humanity and survival gracefully.

- In our college, **two units of NSS** are functioning well with a volunteer's strength of 200. Annual Camps are conducted in the adopted village. **NSS unit-1 adopts Pannur and NSS Unit -2 adopts Susaipuram villages near Sunguwar chathiram.**
- Our **YRC students** have made a panel of blood donors with their blood groups and get connected with the leading hospitals in Chennai to do **blood donation** regularly.
- The **NGO activities** carried out by our philanthropic Chairman make all of us feel elated. The charitable works and the activities energize the staff and the student community to be of a purpose in their life time. St. Joseph's has committed to help homes for the aged people, children suffering with cerebral palsy and orphanages through **St. Joseph's, a non-governmental organization - சந்திரவாணி** by the way of infrastructure developments, learning aids, food and cloth requirements.

## COMMEMORATIONS OF THE JUBILEE

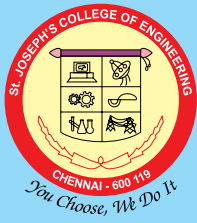

The Mission to accomplish the Vision of "Science with Conscience and Technology with Tranquility" has gained a substantial level of fulfillment in these 25 years of immaculate service. So there is every reason to boast of and be jubilant in this Silver Jubilee. To commemorate this Silver Jubilee, our Institution has planned the following programs,

- Exhibiting the Innovative projects done by III year and IV year students to school children
- Series of 25 Nobel laureate lectures
- Inviting articles from distinguished Alumni and to be included in the Special Souvenir
- Entrepreneur and Incubation activities
- Exhibition cum competition for school children to promote our institution
- Conducting Hackathon events, Robotic competitions, Industry collaborative activities
- Special video presentations about the major events organized by our institutions.

# CONQUISTA 2019

## *CONQUISTA '19*

*The word that makes us feel honoured with pride of our achievement. **CONQUISTA** is the ceremony of issuing offer letters to the students who were recruited through campus placement. The event was held on **30<sup>th</sup> March, 2019** with grandeur.*

A large teal hexagonal graphic with a smaller teal hexagon attached to its top-right corner. The text is centered within the larger hexagon.

**DISTRIBUTION OF  
1579\* PLACEMENT  
ORDERS  
TO THE PLACED  
STUDENTS**

The function was presided by

**Mr. K. Chetan**

Associate Director - HR, Cognizant

who handed over the offer letters to the students in the presence of

**Dr. B. Babu Manoharan, Chairman,  
Mrs. S. Jessie Priya, Managing Director & Mr. B. Shashi Sekar, Director  
St. Joseph's group of Institutions**

**Dr. Vaddi Seshagiri Rao, Principal and  
Dr. B. Parvathavarthini, Dean,  
St. Joseph's College of Engineering**

and

**Dr. P. Ravichandran, Principal  
St. Joseph's Institute of Technology**

The Management & the Department of Training & Placement do not get just pleased with placements of students alone. Our primary concern is more on helping students establish themselves in their career by building 3S - Survival, Sustainability and Success there by get a firm footing in both profession and personal lives. We want to achieve not only quantitative placement, but more of qualitative one in the years to come.

We are proud to inform that we have reached a placement of 1572 added to this year. It is indeed a golden feather added to St. Joseph's College of Engineering's cap.

The wonderful rapport and healthy relationship between the academia and various companies like Cognizant, Wipro, Infosys, ZOHO, Soliton, Thought works, Verizon, MRF, Emerson, Amazon, Mindtree etc. contributes a lot to mutual growth. They have rendered students a right exposure, helped to become aware of the latest trends in technology, realize their worth and prove themselves in a globally competitive world.

The Department of Training & Placement conducts Soft Skills & Quantitative Aptitude training programs for the first year students as a preparatory step for Placement. A six days

Aptitude Crash Course Training is conducted in the first / second year and is compulsory for all the students to attend similiarily, a 6-days Placement Orientation Program (POP) & 6-days Company specific training is given to the students in the final year.

Aptitude assessment tests are conducted once in every week for all the students. Every student in this college attends 18 assessment tests a year. These tests have improved their performance in the campus recruitments to a great extent. Several activities are being organized every year to bridge the gap between academia and the industry.

### COGNIZANT

We have signed a MoU with Cognizant and it has set up an Open Source Lab worth rupees 6 lakhs & Big Data Lab worth rupees 5 lakhs in our college for the betterment of the students. Cognizant conducted an Eye Opener Program 'Evolve – Transition from School to College Life' for 1340 I year students. This enlightened the students on corporate expectations that will make them to take their studies seriously. Cognizant has conducted Mock Interview for the final year ahead of the Day-1 of Campus recruitment that helped them to understand the interview process and perform well in the campus Interviews.

Our faculty members have attended various Faculty Development Programme conducted at their Campus. Students gain industry knowledge by frequent interaction with industry experts through the platform "Cognizant club". Cognizant has instituted Cognizant Certified Student Programme in our college. Certified students are directly eligible for the interview. CIO Challenge of Cognizant has arranged their company's projects for our students.

### WIPRO

WIPRO has honored and accredited our college as a TRUSTED ACADEMIC PARTNER for providing talent of Higher Caliber and meeting the qualifying standards of Excellence. WIPRO has conducted Mission 10X Faculty Enhancement Programme. It is a Soft Skills Training programme conducted for 42 faculties of various streams of Engineering and Technology. Students of our College attended the Women's Day Celebration at Wipro CDC5, Shollinganallur campus.

## INFOSYS

Students have been trained in Technical Skills in Foundation Enablement Programme through Infosys Campus Connect. Our faculty members participated in the Soft Skills Training Programme conducted by Infosys- at our College premises. Infosys has conducted WEBINAR to instill the awareness in the students of the latest technological development.

## VIRTUSA

With the signing of a MoU with Virtusa, Data Warehousing Lab has been set up for the students to work in the lab. Around 23 students have been selected to gain industrial exposure. The students are currently undergoing training in the Data Warehousing lab.

## MURUGAPPA GROUP

Our college has joined hands with Murugappa group for Murugappa Young Professional (MYP) programme. Alongside with Murugappa group, we have taken initiatives for various Campus Connect program. Additionally two batches of III year students have successfully completed and submitted their projects to the Murugappa Young Professionals programme.

## XERVON GULF

XERVON GULF, a UAE based company has signed an MOU with our college this year. It would enable them to recruit students through campus interviews in St. Joseph's College of Engineering and St. Joseph's Institute of Technology.

## VERO SOFTWARE

The signing of MOU with VERO SOFTWARE, UK would benefit students by improving their skill sets in CNC machining through CAM simulation software, EDGE CAM etc.

## INTERNSHIP

Cognizant, Frost Sullivan and K. L. Laboratories have signed for internship with students.

Students were offered internship programme by Murugappa Group, GE Digital, E-con Systems, Tata Communications, Zoho, Maestro steel etc.

Providing industrial exposure to the students through all these professional activities and grooming their academic excellence are not the only motive of the Management. But our prime aim lies in inculcating moral values, discipline, responsibility and make them good citizens, sons and daughters, friends and above all, a better human to dare and care for the world he or she lives in.

## ABHS

# Advisory Bureau for Higher Studies

**T**he Advisory Bureau for Higher Studies (ABHS) was established in the year 1999. Ever since its inception, it is functioning as a separate wing. The prime notion is to serve the student community for getting admission to higher studies in India and abroad with a main objective to enable students prepare for tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT, etc. It maintains all the latest information regarding these exams. The students can access ABHS for getting any information about various universities and courses they offer. The record of the alumni pursuing higher studies is well-maintained in the ABHS. In St. Joseph's Institute of Technology, ABHS was inaugurated in the year 2013 with similar objectives.

# BEC

## BUSINESS ENGLISH CERTIFICATE

**T**he Business English Certificate (BEC), a certification from Cambridge university, ESOL is a qualification which is specifically in English for work: whether it is industry, business or government. BEC gives an opportunity to learn practical language skills as in workplace.

BEC certification is offered under three levels - Preliminary, Vantage and Higher. Every year, a diagnostic test is being conducted for all the students and they are categorized under three levels. Based on the level of categorization, students are given training for the test to attain BEC certificate, students are assessed in the four areas: listening, speaking, reading and writing. The tasks and questions are taken from real workplace situations. For the past seven years, BEC examination has been conducted by the Cambridge University in our college campus.

We have been awarded as South Asia's Best 25 preparation centers for higher education 2016-2018. The details of the results are as follows:

Our colleges have been awarded as a best preparatory center award continuously for the past six years for conducting BEC inside the campus by the Cambridge University. This year we have been awarded as South Asia's Best 25 preparation centers for higher education 2016-2018.

BEC is relevant and has helped the students to be more competent and confident by improving language proficiency. It has also developed cross-cultural communication skills and overall development of the students with an impact on confidence levels through international certification. Every year, our students outperform others in the BEC examination and some of them are awarded as high performance achievers.

## COMMUNICATION SKILLS LAB

English Lab has the following modules designed to enhance language skills among students to make them successful in their careers.

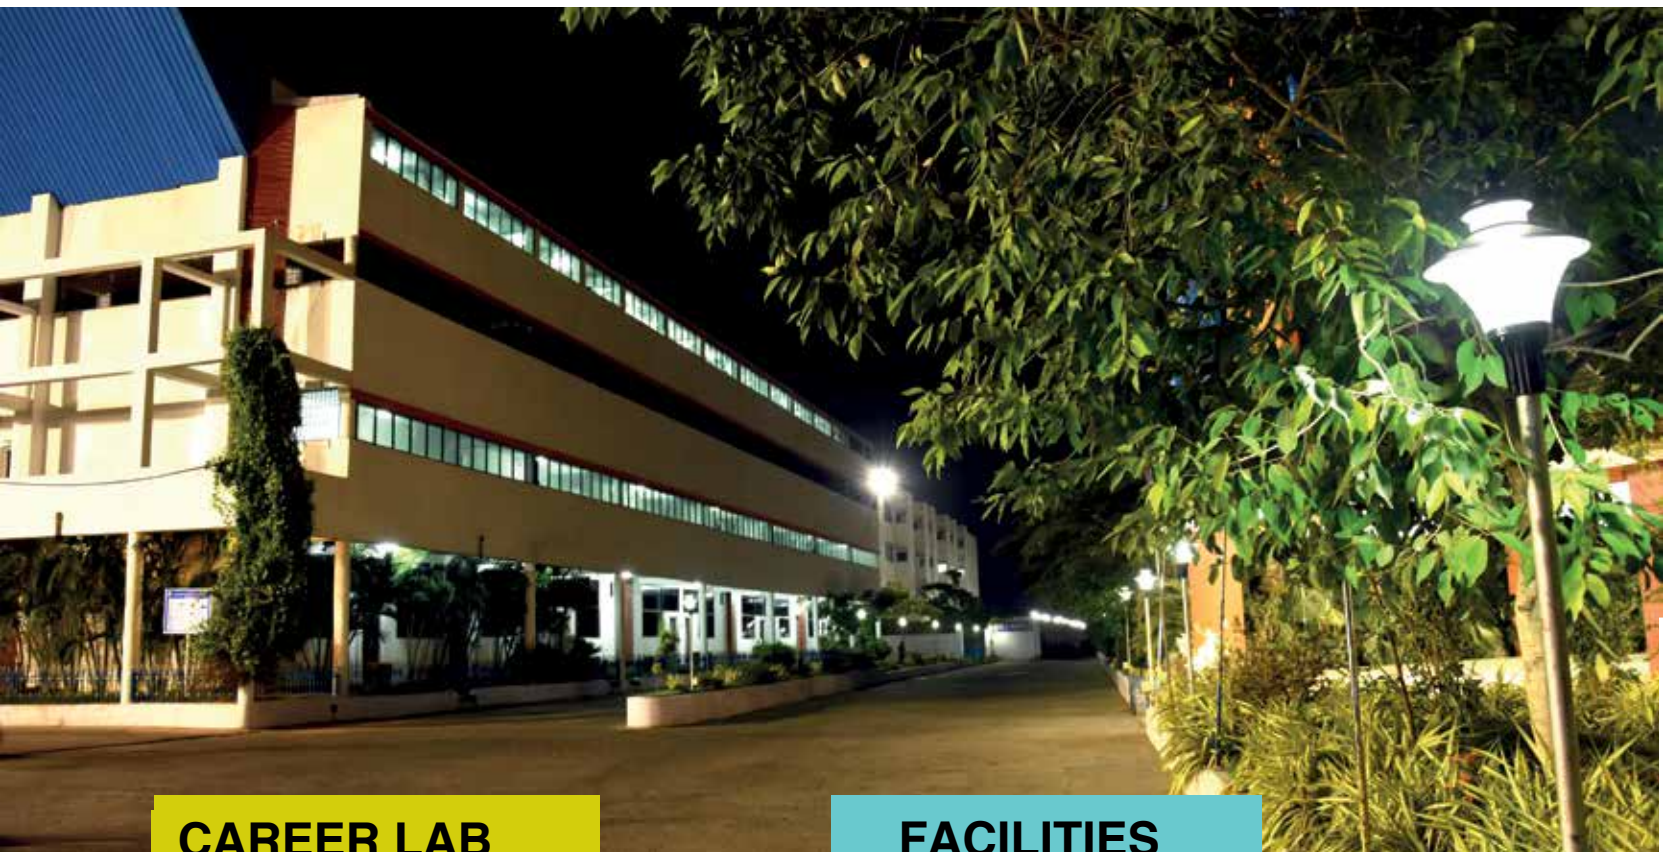

Communication Skills acts as a comprehensive language development programme covering reading, writing and grammar.

Listening Skills section gives the students a thorough grounding in many aspects of listening and listening comprehension.

Vocabulary module trains students in an easy and firm way to learn words and retain them.

Phonetics trains the students in English sounds, pronunciation, stress, intonation, etc. covering vowels, consonants, Diphthongs, Inflections, Intonation, Stress pattern and Rhythm, Ear training, Common errors in English, Correct pronunciation and Phonetic Symbols.

Self-assessment at the end of each assignment aids in analyzing the progression made.

## CAREER LAB

A self-learnable digital program that teaches Public Speaking, Facing Interviews, Group Discussion, Resume Preparation and Assertiveness is the Career Lab. These are among the skills HR executives consider as essential ones for every prospective employee.

Modules in Career lab are:

- Public Speaking
- Facing Interviews
- Group Discussion
- Resume Preparation
- Assertiveness
- Soft Skills

All the programs are designed to impart important career skills to the students and thereby enhance employability and ensure success. The courses are self-learnable and interactive with concepts authored in an easy and learner friendly one-on-one style. Rich visuals and animations make the courses interesting and help students understand the concepts better. Assessments are integrated to evaluate student's performance.

## FACILITIES

Books and CDs for taking-up examination like GRE, TOEFL, GMAT, IELTS, CAT, etc are available. About 1,150 books and 100 CDs are available for the access of students.

ABHS organizes guest lectures and seminars to equip students for pursuing higher studies. Various workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies.

Apart from this, students are exposed to the first hand information from Associate Directors, Deans, Department Heads and Faculty members from many educational institutes like SUNY, Arkansas State University, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, University of Denver, Pace University and Southern Illinois University. Many academicians have visited our campus and have briefed students about the application process, scholarships and requirements in their respective universities.

## CAMPUS COACHING CLASSES

Campus training classes for GATE is being conducted for the III year students during Saturday, Sunday and Monday, whereas GRE, TOEFL & CAT classes are conducted after the regular class hours on the remaining week days.

Even though these classes are meant for the betterment of our hostel students, interested day scholars are also encouraged to join the classes and are allowed to stay in the hostel free of cost during these days.

## STUDENTS PURSUING HIGHER STUDIES ABROAD

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, Stanford University, NJIT, Carnegie Mellon university, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of technology, University of Pennsylvania, Concordia University, Leeds University, Florida Institute of Technology, University of Birmingham, NUS, NTU, University of West Virginia, MRIT, University of MTU, McGill University, Clemson University, University of Massachusetts, University of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute of Technology-Germany, etc. Many of our students are also pursuing higher studies in the esteemed institutions like IITs, IIMs, and IIPM.

**The below table shows the number of students who have got admission for higher studies during recent years:**

S. No	Academic Year	No of students
1.	2017 - 2018	128*
2.	2016 - 2017	165
3.	2015 - 2016	187
4.	2014 - 2015	192
5.	2013 - 2014	187
6.	2012 - 2013	163
7.	2011 - 2012	131
8.	2010 - 2011	123

**62 students of 2017 – 2018 batch  
55 students of 2016 – 2017 batch  
51 students of 2015 – 2016 batch and  
43 students of 2014 – 2015 batch of  
St. Joseph's Institute of Technology have got  
admission for higher studies.**

*\*This is the number of students who have gone for higher education immediately after the completion of their course while many take up education after one or two years of work experiences in industry.*

# VALUE ADDED COURSES

A close-up photograph of a person's hands holding several interlocking gears of various sizes. The gears are white with black outlines and are arranged in a way that they appear to be meshing together. The background is a blurred image of a person's face and hands, suggesting a technical or engineering environment. The overall image conveys a sense of precision, craftsmanship, and technical expertise.

Every student faces the world with a new perspective after they've had their basic bachelor degree, and the knowledge that they gain during the course period is insufficient. To enlighten and to nurture our students into successful adepts, we encourage them to put up with certain Value added courses and workshops. These courses develop an urge in them and keep them updated on the latest trends and improve their technical skills further.

Learning is the key to knowledge and continuous learning is being the constant objective of our college. Working towards this objective our college periodically conducts trainings, lectures and various other programs for the wellness of the students. In the present day scenario, all engineers need extensive computational skills irrespective of their engineering branch of study. As most of the industries are very keen on programming fundamentals, our college has arranged value added courses on core languages as C, Data Structures & Algorithm, Advanced Data Structures and JAVA for all I, II and III year students through E-BOX, Skillrack and Six Phrase. E-Box is a Technology Enabled Active Learning and Assessment platform for technology and engineering domains. Auto evaluation of hands-on exercises at multiple levels has been carried out periodically and the students are calibrated based on their performance.

## Coding Skill Enhancement Courses

**TOTAL NUMBER OF STUDENTS BENEFITED : 5528**  
**St. Joseph's College of Engineering : 3555 students**  
**St. Joseph's Institute of Technology : 1973 students**

These courses offer our students an edge over others and have the following advantages:

- Enhances aptitude skills, technical knowledge, ability to think and innovate
- Exposure to recent trends in the core field, augmenting the employability of the students
- Strives to inculcate fundamental problem solving skills to encourage the students and make them understand the use of modern research tools

Keeping in mind the recent status of the current competitive world, and to make sure that our students are technically stronger, these value added courses are made mandatory for all the students in the fourth and fifth semester. It is a 54 hour program that goes on for 6 days, for which the students will be charged a nominal amount based on the course opted for. The students, who have enrolled for the program, are divided into batches of 30 for better learning.

**Total number of  
students benefited 4098**

## Quality Improvement Cell

QIC of our college, in collaboration with IIT Bombay and Anna University, is conducting an online workshop that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, QCAD, Scilab, PHP, Python, Drupal etc. In this academic year, about **3353 students** undergone the workshop on different domain languages. Following the workshop, students are provided with study materials to help them in facing 45-minute objective type online test. Students cleared the online test and achieved **e-IIT Certificate from IIT Bombay**. These workshops create awareness and interest among the students in learning the new software.

## Technical Workshops

**W**e also organize various workshops on current technologies in association with reputed industries as well as with student chapter organizations to impart necessary skills for best transition from an engineering student to an engineering professional. These workshops enhance the theoretical concepts learnt by students with hands on practical sessions as well as provide an outline for many emerging technologies that are not covered in the syllabus.

Some of these workshops conducted by different departments for their students in this academic year are:

- Haptic ROBOT
- Mind Control ROBOT
- QUAD QUARTOR
- Python & Rasperry-Pi
- Receny Trends on IOT in Medical & Electrical Application
- Soft Skills Program
- Linux
- Artificial Intelligence
- JAVA & SQL
- Grid Integrated solar PV Systems with Research Perspective
- Hands on Training Arduino
- Android application development
- Manufacturing analytics for industrial application and research.
- Recent trends and development in IC engines
- Matlab Programming for Process Engineers
- Power Electronics with MATLAB
- Web Designing
- Electrical CADD
- Tall Buildings
- Sustainable Material in Civil Engineering.
- Internet of Things, Embedded Robotics
- Recent trends & development in HVAC& R.
- Big Data Analytics & Rapid Miner.
- Drug and Protein Structure Designing.
- Subspace Methods for Array Signal Processing Applications.
- Cyber security applications development
- Front end engineering using angular JS framework
- Sales Force - App Development Programme
- Ethical Hacking
- IoT& Drones

## MoU

MoU is intended to recognize the general basis for a collaborative working relationship between industries and college. The purpose of MoU is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified below:

- Industrial Visits
- In-plant Training & special Technical Training to make the students industry-ready
- Guest Lectures
- Mini Projects and Main Project Work
- Research & Development
- Placements
- Internships
- Establishing Industry specific Advanced Labs

To understand the corporate working environment better, our college has signed several MoU's with world class organizations like BSNL, Pantech PRO Labs, CDCE, NSIC, Voltech Engineers Private Ltd, Kriatech Services,

ORACLE Academy, ICT Academy, Butterfly Gandhimathy Appliances Limited, IGP Engineers Pvt Ltd, Gemini Cooling Systems Pvt Ltd, Axis Global Institute of Industrial Training, UDVAVISK Technologies, National Small Industries Corporation (NSIC) Limited, Transun Energy Systems, Signals & Systems (India) Private Limited, Stigmata Techno Solutions, Eye Open Technologies, Red Hat India Private Limited, Pristine Infosolutions Pvt Ltd, Pristine Infosolutions Pvt Ltd, EMC2, VMWare, Cares Renewable Private Limited, CADD labs, Shubin Exports Pvt. Ltd, V Clin Bio Labs Pvt. Ltd, Armats Biotech Pvt. Ltd, Red Hat Linux, AWS Educate, Salesforce, AROBOT, RETECH SOLUTIONS PVT LIMITED and etc

We also encourage and provide the necessary infrastructure for online courses like NPTEL (National Programme on Technology Enhanced Learning). The credentials gained by students through these value added courses are very helpful in getting a job in the competitive market and shows their preparedness to take up the challenges ahead.

# ECO-SOC CLUB

In the academic year 2018-19, the activity, "GENESIS" was organized on 18<sup>th</sup> July 2018. The main objective of this activity was to analyse and discuss the goals set by the U.N as part of the new sustainable development agenda, whose goals are specifically targeted to be achieved by various nations by 2030. The event started with a preliminary quiz on economics and social events in India and World across. The top 25 students were selected for the main event, namely "Sustainable Development". The main event divided the students into 5 groups and were tasked to speak on their given case which was derived from U.N official charts. The cases comprised of:

- Peace, Justice and Institution in India
- Life on land
- Life under water
- Industry, Innovation and Infrastructure
- Clean energy

After the cases were read and discussed with the group members, each group were questioned on their declamations by other groups. The groups were evaluated by the judges on the criteria of

oratorical skill, creative ideas, relevancy to the society. The participants gave energetic stances for their case and had executed their case with innovative ideas for sustainable development. The best team was awarded with certificates and cash prize. The students who were not fortunate enough to qualify for the main event were organised with the Eco-Soc quiz. The Winners list is given below:

The second event for the academic year 2018-19, was "ARETE", organised on 1<sup>st</sup> August 2018, meaning to achieve excellence. The objective of organising this activity is to identify the most effective candidate, who inculcates a principle for living life and focuses on the quality of everything he/she does and experiences it. The event started with a preliminary quiz on economics and current affairs. The top 50 students were selected for the main event,

namely “Political Affairs”. The intellectual skill of the candidates were analysed through quiz, and top 5 members were selected for the final round. The finalists characterized the role of a political leader, each leading their political parties into elections. In the process, the leaders had to decide on the name of the political party and their ideologies. They had to propagate their party and the leadership by concentrating on five areas of topics:

- People Welfare Development
- Education
- Finance Management
- Environment
- Defence

The finalists were asked to make a speech, persuading the participants to vote for their party. At the end, votes were collected and counted. The most voted candidate was declared as the best political leader.

The students who were not fortunate enough to qualify for the main event were organised with interesting eco-soc quiz.

The Winners list is given below :

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE	PRIZE AMOUNT
FIRST	Yashwanth	III	ECE - D	ENGG.	Rs.500

The third event for the academic year 2018-19, “STRATEGIC LEADERSHIP” was organised on 11<sup>st</sup> February 2019. The objective of this activity is to identify the best strategic leader who would understand the real-life scenario and give out creative ideas to solve our country’s current social and economic issues. Thus the strategic leader thinks out of the box in a critical and a creative way and this activity was an embodiment of that idea.

The activity consisted of three rounds, the prelims, second round, and the finals. The prelims consisted of 15 questions all pertaining to the current social and economic issues to test their knowledge about the day to day current affairs. In which the top 25 students who scored

the highest, qualified to the second round. In the second round, they were split into five groups of five and everyone in the group was tested on the creative ideas for selling a specific product by 5 judges. Each judge evaluating the skill of 5 students. The best from each group qualified for the final round. The final round consisted of five critical scenarios where each student were given different scenario.

An example of one of the scenarios was “you are in line to become a partner at your company and you have to give a presentation to state your worth, but apparently you have forgotten your presentation material at home and are stuck in a situation wherein you can’t go back and get it, for if you do you can’t attend the meeting on time. Think of a creative solution where you can give your presentation on time”. The finalists had to present their case solution and were evaluated on the basis of five criteria: Communication, Analytical thinking, Fluency, Creativity, Relevance.

The students who weren’t selected in the prelims were allowed to participate in a sub-event. The sub-event for this activity was “POSTER PRESENTATION”. The students were split into groups of five to eight and were asked to create a poster on the topic of “CLIMATE CHANGE”. This brought out the creative side of all the students and their capability to work in teams. The poster was judged based on: Creativity, Artistry, Relevance to topic, and Team effort. The winner list is given below:

# DEVELOPER STUDENT CLUB (Google Club)

The Developer Student Club is an initiative by Google Developers in association with over 172 universities and colleges, in 90+ cities all across India, for the facilitation of innovation among students and aspiring engineers. **Nikhil Xavier John, III year**, Department of Information Technology of our college has been selected as the Developer Student Club (DSC) Lead for the academic year 2018-19. The Developer Student Club includes students from both St. Joseph's College of Engineering and St. Joseph's Institute of Technology aims to improve the technical and business skill set of fellow students by hosting and organizing events and workshops. It conducts product/program pilots

within campus and helps Google developers better understand the culture of our campus. The members of the club are selected through a screening test where they are tested not only on their intellectual skills but also on their caliber and creativity.

Accordingly, the club had hosted a one-day Android mobile development workshop on the 27<sup>th</sup> September 2018 on our campus. The hands-on workshop, **Android Codelabs marked** the process of learning in a very enthusiastic manner and hence was a great success for the students who attended from both St. Joseph's College of Engineering as well as from St. Joseph's Institute of Technology. The students were taught an introduction

to development in Android and left having made a sample application. The students showed immense enthusiasm, leaving behind a great response.

Google collaborates with university students who are passionate about growing developer communities and supports them with starting student clubs on their campuses. These DSCs provide students with the opportunity to: Grow their knowledge on developer technologies and more through peer to peer workshops and events. Gain relevant industry experience by solving problems for local organizations with technology-based solutions. Showcase their prototypes and solutions to their local community and industry leaders.

Students have the opportunity to not only learn development skills, but also apply it to live problems by developing solutions, and then showcasing their work within their communities. Students get to develop their portfolios by showcasing the projects that have live applications rather than academic-only projects. By developing solutions for local businesses/organizations, the college is positioning itself as a center of talented individuals that can provide offerings to the local community. The Developer Student Clubs (DSC) program is a grass roots channel through which we provide development skills for students, towards employability. In addition to workshops, we also provide an opportunity for students to apply their newly gained skills to develop solutions for local organizations and then provide visibility via showcases.

The first ever Developer Student Club Summit in India was held on the 23<sup>rd</sup>, 24<sup>th</sup> and the 25<sup>th</sup> of February, 2018 in Radisson Blu Resorts, Goa, India and was attended by Karen Zipporah J, 4<sup>th</sup> year Information Technology, St. Joseph's College of Engineering. The summit focused on the development and motivation of the DSC leads to inspire, innovate and inculcate the problem-solving nature in students. This year the summit has been planned abroad.

Last year the summit extended to a total of two and a half days including an introductory session for networking purposes. There were eminent speakers present for all sessions including both Googlers and influential public figures. The sessions held on the first day involved self-conducting content which was focused on how motivation should be imparted to students in around our college eco-systems. Apart from leadership-based content, an interactive design thinking workshop was conducted by members of the University Innovation Fellows Program. Personnel from nearby local businesses were invited and problem solutions were generated for real-time difficulties faced by them.

# Cognizant Students Club

The aim of Cognizant students club is to facilitate continuous grooming of the students to meet corporate expectations. This also provides our students with an opportunity to strengthen their skills & sharpen their knowledge.

The objectives of the club:

- To provide opportunity to gain industry knowledge by frequent interaction with industry experts.
- To provide communication and other personality development training for holistic development of the student.
- To provide exposure in latest technologies advancements in IT Industry.
- To offer mini projects to implement the theoretical concepts and knowledge possessed by them.
- To get mentorship from industry representatives and to groom themselves for corporate.
- Also developing team building, leadership and interpersonal skills by activities with students of other colleges.

The club activities include communication & personality development, Exposure to latest technologies, mini projects, Coding test, Bug Identification, mentorship, team building, technical guest lectures. Teams from various colleges will be given tasks & the college who have been actively involved in the club activities will be motivated by providing exciting prizes for the best performing college, team, star performer & best mentor

**B**ureaucracy is the key to good governance and administration. To be a civil service officer in the Government, a candidate must be given proper over all training to crack the civil services examinations. Keeping this concern and in order to motivate the students who would prospectively become bureaucrats in the future, our management has taken a larger measure through **St. Joseph's - மனித நேயம் அறக்கட்டளை Civil Service Academy.**

**St. Joseph's - மனித நேயம் அறக்கட்டளை Civil Service Academy** aims to produce able bureaucrats who would act as beacon of light for the welfare of the society. The academy aspires to create an avenue for the students to explore the opportunities in Indian Civil Services. Further the academy intends to equip the students with well-planned knowledge based training and personality development.

On **10<sup>th</sup> October 2018**, **Mr. Saidai Duraisamy**, Founder and Chairman of **மனித நேயம் அறக்கட்டளை** addressed and guided the aspiring students of our institution in a grand gathering.

On **06<sup>th</sup> March 2019**, **Dr. B. Babu Manoharan**, Chairman, **St. Joseph's Group of Institutions**, inaugurated the **St. Joseph's - மனித நேயம் அறக்கட்டளை Civil Service Academy** class by presenting a motivational speech to the students.

This academy have systematic plans to make the toughest journey for preparing Civil Services Exam with several challenges into an achievable goal to students. By conducting screening test for all **1450 students**, based on the performance, 600 students have been shortlisted. All selected students have been trained by best trainers acquired from various leading IAS Academies in Chennai to cross Prelims, Mains and Interview and join the elite Civil Service.

# St. JOSEPH'S DEFENCE ACADEMY

**W**ith proper planning, our Management had taken a great step to fulfil the dream and need for students to join Defence service by starting the Defence Academy and should help support the morals of the society effectively. Defence Academy is not just an academy to pursue the degree course. It prepares candidates to serve in the three services of Indian Armed Forces.

Defence Academy aims to develop amongst its students a competitive attribute along with strong academic base with quality teaching and individual attention as its main aim. The academy organises seminars and workshops with the help of defence officers and experts in soft skills to train the Defence aspirants to think, feel and express like Defence officer.

In order to prepare the aspirants about the availability of various opportunities in all the Indian Army, Indian Navy, and Indian Air Force, the Indian Coast Guard and paramilitary organisations our Management have arranged various seminars and workshops as follows.

1. On 04<sup>th</sup> August 2018, **Mr.V.Nanda Kumar, IRS, Additional Commissioner**, Income Tax Department and **Lt. Esan, Training Commander** and Student candidates (With their Parents) who got selected in Defence services through SSB exam had presented their experience to our aspirants and cleared their various doubts.
2. On 05<sup>th</sup> March 2019, **Mr. Surendren, Director of Defence Academy, Chennai** had visited our academy and provided various details about upcoming opportunities and explained the role of engineers in Defence services in detail.

From our St. Joseph's Group of Institutions around 450 students' aspirants was getting prepared for various entry levels in different category of Defence services.

Our student **Ms. Kreshma R**, 2014-18 Batch, Department of EEE, has got selected as Sub-Lieutenant in the Aviation Specialization – Executive Branch of the Indian Navy and joined Indian Naval Academy on 24<sup>th</sup> Dec 2018.

Our college student **Ms. Tamizhvani M**, 2015-19 Batch, Department of ECE, has got selected as Flying Officer - Pilot in the Indian Airforce.

# Saturday Activities

Every Saturday in the college is a wonderful opportunity for students to showcase their talents. This day serves the dual purpose, as an alternate for the routine classroom and to develop their skills. The day starts with placement training for all the students. The students participating in activity Saturday are divided into two different groups. The first group stays back at the college and the second group is headed towards an orphanage or old age homes.

## Pre - Placement training programme:

All students who are participating in the Saturday activities will undergo pre-placement training. Pre placement training will be for a duration of 2 hours. Students will be trained by the experts in the area of quantitative aptitude, verbal and soft skills.

## Soft skill activities:

The first group of students, who is staying back in college, are further divided into groups with six student organizers to coordinate the activities. The rooster system is followed and every student is given a chance to be a student organizer during his stay in the college for four years.

These six students will conduct various activities focusing on developing the communication skills of students and making them void of stage fear. This programme envisioned by our Chairman has proved to be an effective tool to inculcate leadership qualities. Here the students apart from developing their confidence levels also use this as a platform to collaborate with others. The activities are planned at different levels for students at different stages based on their year of study.

## Communication skills:

For the first year students, the main focus is on developing communication skills and instilling confidence. The student

organizers start from basics like memory games, tongue twisters, and shipwreck. Then they slowly move on basic grammar using the play way method and translation games. They listen to audio and video clippings which would serve the dual purpose of motivating them and teaching them language. Peers scaffold them and help them to come out of their shells. Students are trained to influence and convince others, to discuss and reach agreement. Awareness of achievements, abilities, values, weaknesses and what one wants out of life is also done through sessions designed to analyze their self. They develop the competencies needed for current and future roles.

**Interpersonal skills development activities:**

For the second year students the focus is on developing soft skills. Various activities are conducted to create awareness and develop their efficacy in handling situations. Students have various activities like role play, channel surfing, quiz, debate, technical puzzles.

They are trained in developing a positive attitude, team skills, adaptability, personal integrity, negotiation skills, critical thinking and personality development. They start recognizing and respecting different perspectives. They accept responsibility for views & actions and by now they are able to work under their own direction & initiative. They

start generating new ideas and solutions.

**Employability skills:**

The focus for the third year and final year students is on employability skills. They are given various communication activities to express their ideas clearly and confidently. They also participate in various team activities which would help them to work confidently in a group. Students enrich themselves with problem solving techniques and would be able to act on the initiative; identify opportunities, proactive in putting forward ideas & solutions. They are trained to adapt themselves to changing situations. Students are trained to prioritize and

manage time effectively. They are also trained in written and oral communication. Thus, all these activities help in making students more employable and competitive in the global market.

**NGO activities:**

The second group of students, who are visiting orphanages and old age homes, shed all their inhibitions and mingle with the children there and spend some quality time with those children. St. Joseph's Group of Institutions offers a special lunch with sweets and ice cream to all inmates of the homes. It indeed teaches the Josephites how much we are blessed and motivate us further to reach out to the under privileged and do something for them.

## St. Joseph's

## விடுவெள்ள்

(NGO - Non-Governmental  
Organisation Activities)

**T**o give to the needy is true charity. Our Chairman desires for extending his support to the orphanages, homes of children suffering with Cerebral Palsy (CP) and differently abled, homes of the aged people through St. Joseph's non-governmental organization. Also he wants to invoke the service mind of student community by encouraging visits to these homes. The world will praise and submit itself to the mind of the person who is able to give with affability, and to protect all who come to him.

Each semester for the past eight academic years more than 90 NGO homes, which include 75 orphanages, 10 old age homes and 7 CP children home in and around Chennai have been visited by our student volunteers. These visits gave our students to be aware of the existence of poor, downtrodden life style and acknowledge their own good fortune and create a sense of duty towards those less fortunate which is the need of the hour for our country's development and make them responsible citizens.

Every year St. Joseph's has sponsored around Rs. 80,00,000 and the student volunteers willing and whole heartedly utilized in an useful manner by offering the basic needs such as rice bags, groceries, toys, cloths, pillows, medicine etc., for the inmates. All the students, from first year to final year both UG and PG enthusiastically participated and mingled with inmates of home and spend time with them and share their happiness. They also spend their pocket money in useful manner by offering needy things.

We extend our helping hands to semmencherry primary health center by providing volunteers and food items during health camps. Awareness rallies were arranged along with Chennai corporation health department.

For the past eight years our college provides snacks in the evening to the students of Government Higher Secondary School, Semmencherry. Which has positive impact in improvement of student attendance of that school. In the SSLC and HSC board examination school results were improved. Computer training was given to the student. We renovated major areas of the school, water and sewage pipelines were erected with the cost of Rs.3 lakhs.

Transport facilities are provided for schools in nearby area for their academic related visits.

**We wish to continue this service forever.**

### SAE INDIA EBAJA - 2019

Baja SAE India is an intercollegiate competition run by the Society of Automotive Engineers (SAE), India. Teams from various engineering colleges across India which includes IIT's and NIT's, design, build and race off-road vehicles that can withstand harsh conditions in rough terrains. The event is recognized internationally and provides a platform for the students to showcase their engineering skills and acumen.

A team of 24 passionate students from the Mechanical department of our college, ably guided by the staff in-charges Mr. Manoj Kumar .P and Mr. Ganesh .M and supported by the Mechanical department, took part in the 12th edition of the Baja SAEINDIA 2019 which was held between 22<sup>nd</sup> & 29<sup>th</sup> January 2019. This was the 2<sup>nd</sup> time **"Inferno Racing Team"** took part in this prestigious competition. The event took place at the NATRIP (National automotive Testing and R&D Infrastructure Project) facility at Pithampur, near Indore.

The team endured a very challenging and competitive journey, securing an All India Rank of 19<sup>th</sup> and a state rank of 4<sup>th</sup>. The event witnessed a participation of 60 teams on the whole. Various events like design evaluation, costing, and sales evaluation were conducted to test the technical and marketing skills. All the events were judged by panels consisting of senior engineers from various reputed tech giants like Mahindra & Mahindra, General Motors, and Siemens etc. On the whole the team gained invaluable experience and insight, as to what kind of engineering standards are required to thrive in the current scenario. The team secured the following national and state rankings:

Events	State Rank	National Rank

#### Distinguished Lecture Program

The distinguished lecture happened on 3<sup>rd</sup> December 2018. Dr. Marius George Linguraru, Principal Investigator, Children's National Medical Center, Washington DC, USA was the speaker for the program organized by **IEEE EMBS Student Chapter, St. Joseph's Institute of Technology**. The students from various chapters and faculty were immensely benefitted through the words of knowledge. The program started with the official inauguration, having the Guest, Dr. B. Babu Manoharan, Chairman, Mrs. S. Jessie Priya, Managing Director, Mr. B. Sashi Sekar, Director of St. Joseph's Group of Institutions, Principal, St. Joseph's Institute of Technology and HODs of Department of ECE, St. Joseph's Institute of Technology on the dais.

This was followed by the lecture that elaborated about genetic conditions, children experiencing a high incidence of serious medical complications and intellectual disability requiring immediate treatment. Genetic conditions often present clinically with universally recognizable signs and symptoms, including recurring patterns of malformations on the face and body that are genetically related. The practical experiences shared were very much useful and kindled the flame for new inventions in the minds of students and faculty.

### IFTHAR

Our College celebrated Ramzan on 16<sup>th</sup> June 2018. All the Muslim students in our college underwent fasting within the campus. The early morning food called as “sahar” according to the Muslim custom, was served with delicious items by the college in the mess at 4.30 a.m. In the evening, the Muslim students were served for “Iftihar” with dates, cool drinks porridge as a sign breaking the fast. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

### ONAM

The festival of rice harvest was celebrated on 18<sup>th</sup> August 2018 with great spirituality and delight. All Malayali students participated with enthusiasm on this special occasion. Our beloved Chairman & Managing Director attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu included aviyaal, erussery, pulissery, nenthram pazham and different types of payasam.

### TEACHERS DAY

Our College celebrated the Teachers day as a special occasion from August 27<sup>th</sup> to Sep 5<sup>th</sup> 2018. The students entertained their respective department's faculty members with unique shows on that special day. Our Management gave gifts to all the teachers of our college as a token of appreciation.

### VINAYAKA CHATHURTHI

Our college celebrated Vinayaka Chaturthi on 13<sup>th</sup> September 2018, by decorating Ganesha's statue of our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Chairman & Managing

Director's family. Delicious food was offered to the Lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha.

Christmas Celebration in Technology

### AYUDHA POOJA

Our College celebrated Ayudha Pooja on 17<sup>th</sup> October 2018, by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the laboratories and office were beautified with plantain trees, mango leaves and glazing papers followed by a pooja in the presence of Chairman & Managing Director's family. The remarkable part of this celebration was the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift vouchers for deepavali were distributed on the day of Ayudha pooja to Administrative staff, Technical staff, Non - technical staff, Drivers, Sweepers, workers in the mess and daily wage workers.

### DIWALI

The festival of lights is celebrated with full delight and enthusiasm. Deepavali is the most expected festival by all. This year the festival of lights was celebrated on 3<sup>rd</sup> November 2018. On this special eve, a

grand lunch with exotic dishes ranging from mouth lingering sweets to delicious deserts was served.

### DEEPAM

Karthigai Deepam is celebrated on the full moon day in the Tamil month of Kaarthigai. This festival is known for brightened lights lit all over the place signifying growth and prosperity. The deepam celebrations took place in our college on 23<sup>rd</sup> November 2018 with lamps lighted by the divine flame that is believed to fend off evil forces and escort ecstasy.

### PADI POOJA

The festival was celebrated on 8<sup>th</sup> December 2018 by decorating the holy steps of Ayyappa with flowers and silk clothes and lighting traditional lamp. The Chairman & Managing Director, Staff and Students attended the pooja and "irumudi" was tied to those who went to sabarimala. Traditional songs were sung in pooja and a grand feast was given to those who attended pooja.

### CHRISTMAS

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. The Christmas celebrations took place in the college campus on 17<sup>th</sup> December 2018. On Christmas day, a special mass was conducted in the college chapel. The celebrations included a rhythmic performance from the college choir and an add-on surprise package by Santa Claus. The staff and students were completely spellbound with the Christmas gratification and the day was called off with a hearty lunch.

### PONGAL

Pongal is an occasion that is believed to chime in the opulence. It is renowned as a thanksgiving festival for various Hindu deities. "Thai" is the first month of the Tamil Almanac where the joy-filled Pongal occasion comes. The celebration in the college took place on 12<sup>th</sup> January 2019. The day's lunch was served with different varieties of Pongal. Indeed, Pongal is a festival of freedom, peace, unity and compassion crystallized in the last hymn on unity in the Indian spiritual text the Rig Veda.

### HOSTEL DAY

Hostel day is one of the most awaiting occasions of the year in St. Joseph's College of Engineering. This wonderful day was celebrated in the college on 9<sup>th</sup> Mar 2019 with lots of events conducted for both boys

and girls. The hostel was decorated with colour lamps and balloons making it more eye-catching. Cricket, Volleyball, Basketball, Kabaddi matches were held and the winners and runners were awarded with cash prizes. Cultural events such as singing, skit and dance were performed in the presence of our beloved Chairman & Managing Director. Matches and other events were conducted 3 days prior to hostel day. Special dinner and snacks was provided to the hostilities.

### UGADI

Our college celebrated Ugadi on 6<sup>th</sup> April, 2019. The Telugu New year festival popularly called as Ugadi comes close on the heels of Holi. This day of celebration is marked by religious fanaticism and social jollity. Special dinner was served for the hostel students. Exotic dishes made with raw mango went on well with the occasion. Ugadi which is considered to be the most auspicious time to start new ventures was indeed a cheerful and a memorable celebration to be remembered by the staffs and students of our college.

### TAMIL NEW YEAR

Our college celebrated Tamil New year on 13<sup>th</sup> April 2019. The Tamil New year festival is popularly called Puthandu. It is the celebration of the first day of the traditional Tamil calendar. The day is marked with feast and decorated with kolams. Special lunch was served to all as a part of celebrations.

### EASTER

Our College celebrated Easter on 22<sup>nd</sup> April 2019. Easter is the springtime holiday marking the rebirth of Jesus and the renewal of the Christian faith. A special programme was conducted by St. Joseph's College Fellowship in our college Placement Cell which was attended by students and staff. The celebrations started with worship songs and prayer. Heartfelt wishes were shared among everyone and ended off with holy blessing of God.
