ISSUE NO 1

The Department of CSE(Cyber Security), organized a Technoology awarness program "Engineering Excellence " in association with National IT International matriculation hr.sec.school Kummananchavadi on 21.07.2025 and 22.07.2025. The program was arranged in our college campus. The students of XI and XII std along with their staff visited our campus.

TECHNOLOGY AWARENESS PROGRAM - SCHOOL EVENTS

The total strength of 254 (114 Boys and 140 Girls) took part in the program. The program was coordinated by P.N.Karthikayan AP/CYS. After formal inauguration the session had been arranged in such a way that the various domain ideas of the current engineering trend was shown to the students. There were students representing the 21 domains in our PEP program briefed about the various domain opportunities in Engineering. Various Domain ideas like Deep Learning, Cyber Security , Robotic process Automation, Block Chain were discussed.

TECHNOLOGY AWARENESS PROGRAM - SCHOOL EVENTS

- To create awareness among school students about the importance of technology in modern life.
- To enable students to decide their carrier path in Engineering.
- To provide live demo sessions to showcase the working of various domains.
- To encourage logical thinking, problem-solving, and creativity through programming tasks.
- To provide the insights and opportunities in Engineering field.

TECHNOLOGY AWARENESS PROGRAM - SCHOOL EVENTS

The school management appreciated the efforts of the Our department and expressed interest in conducting similar programs in the future. Many students were inspired by the sessions and shared their interest in exploring computer science as a potential career path.
