DISTRIBUTION OF
1703*
PLACEMENT ORDERS
TO THE PLACED STUDENTS

CONQUISTA '20...

The word that makes us feel honoured with pride of our achievement. CONQUISTA is the ceremony of issuing offer letters to the students who were recruited through campus placement.

The event was held on **4th April, 2020** with grandeur.

Handed over the offer letters
to the students in the presence of

**Dr. B. Babu Manoharan, Chairman,
Mrs. S. Jessie Priya, Managing Director &
Mr. B. Shashi Sekar, Director
St. Joseph's group of Institutions**

**Dr. Vaddi Seshagiri Rao, Principal and
Dr. B. Parvathavarthini, Dean,
St. Joseph's College of Engineering**

and

**Dr. P. Ravichandran, Principal
St. Joseph's Institute of Technology**

The Management & the Department of Training & Placement do not get just pleased with placements of students alone. Our primary concern is more on helping students establish themselves in their career by building 3S - Survival, Sustainability and Success there by get a firm footing in both profession and personal lives. We want to achieve not only quantitative placement, but more of qualitative one in the years to come.

We are proud to inform that we have reached a placement of **1703** added to this year. It is indeed a golden feather added to St. Joseph's College of Engineering's cap.

The wonderful rapport and healthy relationship between the academia and various companies like Cognizant, Wipro, Infosys, ZOHO, Soliton, Thought works, Verizon, Multicoreware, Emerson, Adobe, Paypal, Mr.Cooper, Zilker etc. contributes a lot to mutual growth. They have rendered students a right exposure, helped to become aware of the latest trends in technology, realize their worth and prove themselves in a globally competitive world.

The Department of Training & Placement conducts Soft Skills & Quantitative Aptitude training programs for the first year students as a preparatory step for Placement. A six days Aptitude Crash Course Training is conducted in the first / second year and is compulsory for all the students to attend similiarily, a 6 days Placement Orientation Program (POP) & 6 days Company specific training is given to the students in the final year.

COGNIZANT

We have signed a MoU with Cognizant and it has set up an Open Source Lab worth rupees 6 lakhs & Big Data Lab worth rupees 5 lakhs in our college for the betterment of the students. Cognizant conducted an Eye Opener Program 'Evolve – Transition from School to College Life' for Ist year students. This enlightened the students on corporate expectations that will make them to take their studies seriously. Cognizant has conducted Mock Interview for the final year ahead of the Day-1 of Campus recruitment that helped them to understand the interview process and perform well in the campus Interviews.

Our faculty members have attended various Faculty Development Programme conducted at their Campus. Students gain industry knowledge by frequent interaction with industry experts through the platform "Cognizant Club". them to understand the interview process and perform well in the campus Interviews.

Cognizant - Service Now Skilling Program

Our College has signed a MOU with Service Now through Cognizant for skilling program. College will identify interested students and Cognizant will have an evaluation for the interested students to shortlist prospects for this program. The shortlisted students will be trained in the college by Cognizant SMEs. Post training the student needs to go through another evaluation and Service Now Certification. The student will be offered a full time offer based on the student performance during training, clearance of post training evaluation and Service Now certification.

WIPRO

WIPRO has honored and accredited our college as a TRUSTED ACADEMIC PARTNER for providing talent of Higher Caliber and meeting the qualifying standards of Excellence. WIPRO has conducted Mission 10X Faculty Enhancement Programme. It is a Soft Skills Training programme conducted for faculties of various streams of Engineering and Technology. Students of our College attended the Women's Day Celebration at Wipro CDC5, Shollinganallur campus.

Wipro-TalentNext

Wipro has trained some of our faculties as Wipro certified faculty through TalentNext event. As part of the TalentNext enrichment program, wipro conducted "Advanced Technology" program on Artificial Intelligence/Machine Language [AI/ML] for the existing WCFs [Wipro Certified Faculty] of our college. This will help the professors to get a first hand experience for themselves on this emerging technologies.

INFOSYS

Students have been trained in Technical Skills in Foundation Enablement Programme through Infosys Campus Connect. Our faculty members participated in the Soft Skills Training Programme conducted by Infosys - a tour College premises. Infosys has conducted WEBINAR to in still the awareness in the students of the latest technological development.

Infosys – InfyTQ

Infosys offer a certification in technology that endorses students' industry-readiness for a career of their choice.

Hack With Infy is Infosys flagship India-wide hackathon to not just provide a perfect stepping stone for students to explore their passion for coding and programming, but also an opportunity to compete and earn a chance to work with Infosys.

VIRTUSA

With the signing of a MoU with Virtusa, Data Warehousing Lab has been set up for the students to work in the lab. Around 23 students have been selected to gain industrial exposure The students are currently undergoing training in the Data Warehousing lab.

Prestigious Recruiters

MURUGAPPA GROUP

Our college has joined hands with Murugappa group for Murugappa Young Professional (MYP) programme. Along side with Murugappa group, we have taken initiatives for various Campus Connect program. Additionally two batches of III year students have successfully completed and submitted their projects to the Murugappa Young Professionals programme.

XERVON GULF

XERVON GULF, a UAE based company has signed an MOU with our college this year. It would enable them to recruit students through campus interviews in St. Joseph's College of Engineering and St. Joseph's Institute of Technology.

VERO SOFTWARE

The signing of MOU with VERO SOFTWARE, UK would benefit students by improving their skill sets in CNC machining through CAM simulation software, EDGECAM etc.

INTERNSHIP

Cognizant, Frost Sullivan and K. L. Laboratories have signed for internship with students.

Students were offered internship programme by Murugappa Group, GE Digital, E-con Systems, Tata Communications, Zoho, Maestro steel etc.

Providing industrial exposure to the students through all these professional activities and grooming their academic excellence are not the only motive of the Management. But our prime aim lies in inculcating moral values, discipline, responsibility and make them good citizens, sons and daughters, friends and above all, a better human to dare and care for the world he or she lives in.

CENTRE OF EXCELLENCE IN ROBOTIC PROCESS AUTOMATION (RPA)

Students will be trained on emerging technology RPA and can be made Corporate ready aligned with Blue Priseloper) & certified students will be sourced for Recruitment from Industry top players.

Blue Prism, one of the market leaders in the field of Robotic Process Automation, an UK based MNC has partnered with St Joseph's Group of Institutions for setting up Center of Excellence in Blue Prism Robotic Process Automation. The Center of Excellence in Blue Prism Robotic Process Automation Powered by Netalla Innovations Pvt. Ltd. is a skill augmentation platform aimed at improving learning outcomes and bringing students closer to the industry in emerging technology Robotic

Process Automation (RPA). RPA Center of Excellence comes with all software tools required for training, real-time projects and internships. We connect students with mentors and companies through meaningful and sustainable use cases, projects, workshops, internships and seminars. Thus, we believe that the RPA Center of Excellence adds significant value to the institution.

The benefits for students of the Blue Prism RPA Center of Excellence powered by Netalla include the following:
• Learning Robotic Process Automation theory, concepts and practical applications
• Exponential career growth; RPA Developers

and RPA Business Solution Architects are in high demand in the market.
• Staying up to date on the latest industry trends.
• Added advantage when it comes to interviewing for jobs in today's job market.
• Internship and project opportunities based on Robotic Process Automation.
• Global recognition by acquiring Blue Prism certifications.

Close to **203** Students from across disciplines have been trained in Robotic process automation & Course completion certificates were distributed to the students in the Valedictory function held at the campus, Mr. Manjunath - Program Manager - Academic Alliance – **Blueprism,** handed over the certificates to the students who have undergone the training the foundational program in **Blueprism RPA.** These students will be further trained on the advanced levels on **Blueprism RPA,** followed by which they will undergo AD01 Blueprism Robotic Process Automation Certification.

Advisory Bureau for Higher Studies

The Advisory Bureau for Higher Studies (ABHS) was established in the year 1999, with the prime motto to serve the student community for getting admission to higher studies in India and abroad. The main objective is to enable the students to prepare for tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT, etc. ABHS has the latest information regarding these exams. The students can access ABHS for getting information about various universities and courses they offer. The record of the alumni pursuing higher studies is well-maintained in the ABHS. In St. Joseph's Institute of Technology, ABHS was inaugurated in the year 2013 with similar objectives.

BUSINESS ENGLISH CERTIFICATE

We prepare for
Cambridge
English Qualifications™

The Business English Certificate (BEC), a certification from Cambridge Assessment English, Cambridge University, is a qualification which is specifically in English for work: whether it is industry, business or government. BEC gives an opportunity to learn practical language skills as in workplace.

BEC certification is offered under three levels- Preliminary, Vantage and Higher. Every year, a diagnostic test is conducted for all the students and they are categorized under three levels. Based on the level of categorization, students are given training for the test to attain BEC Certificate, they are assessed in the four areas: listening, speaking, reading and writing. The tasks and questions are taken from real workplace situations. For the past seven years, BEC examination has been conducted by Cambridge in our college campus.
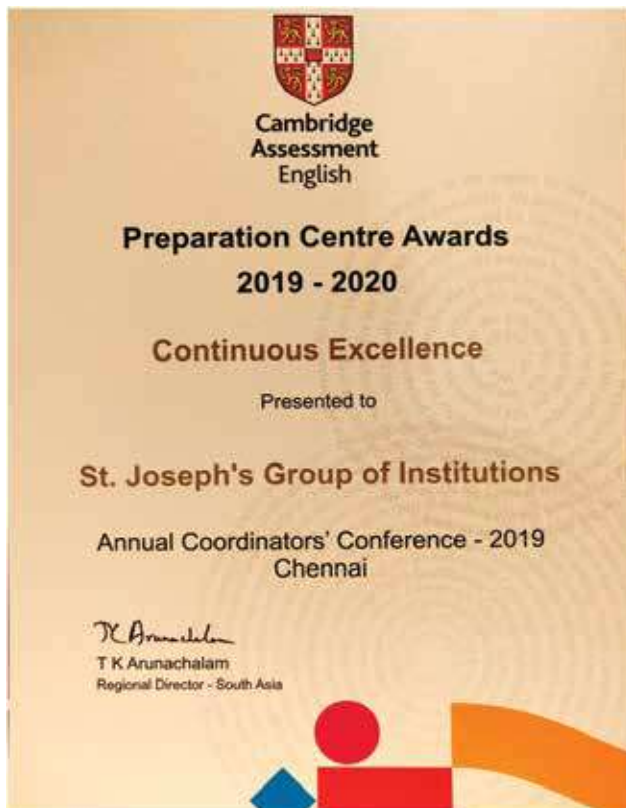

We have been awarded as South Asia's Best 25 preparation centers for higher education 2016-2018.

We have been awarded for "Continuous Excellence" by Cambridge Assessment English for the year 2019-2020.

The details of the results are as follows:

Our colleges have been awarded as a Best Preparatory Centre continuously for the past seven years for conducting BEC inside the campus by Cambridge. In year 2018-2019 we have been awarded as "South Asia's Best 25 Preparation Centres for Higher Education 2016-2018".

BEC is relevant and has helped the students to be more competent and confident by improving language proficiency. It has also developed cross - cultural communication skills and overall development of the students with an impact on confidence levels through international certification. Every year, our students out perform others in the BEC examination and some of them are awarded as high performance achievers.

COMMUNICATION SKILLS LAB

English Lab has the following modules designed to enhance language skills among students to make them successful in their careers.

- Communication Skills acts as a comprehensive language development programme covering reading, writing and grammar.
- Listening Skills section gives the students a thorough grounding in many aspects of listening and listening comprehension.
- Vocabulary module trains students in an easy and firm way to learn words and retain them.
- Phonetics trains the students in English sounds, pronunciation, stress, intonation, etc. covering vowels, consonants, Diphthongs, Inflections, Intonation, Stress pattern and Rhythm, Ear training, Common errors in English, Correct pronunciation and Phonetic Symbols.
- Self-assessment at the end of each assignment aids in analyzing the progression made.

CAREER LAB

A self-learnable digital program that teaches Public Speaking, Facing Interviews, Group Discussion, Resume Preparation and Assertiveness is the Career Lab. These are among the skills HR executives consider asessential for every prospective employee. Modules in Career lab are:

- Public Speaking
- Facing Interviews
- Group Discussion
- Resume Preparation
- Assertiveness
- Soft Skills

All the programs are designed to impart important career skills to the students and thereby enhance employability and ensure success. The courses are self-learnable and interactive with Concepts authored in an easy and learner friendly one-on-one style. Rich visuals and animations make the courses interesting and help students understand the concepts better. Assessments are integrated to evaluate student's performance.

FACILITIES

Books and CDs for taking-up examination like GRE, TOEFL, GMAT, IELTS, CAT, etc. are available in ABHS. About 1,150 books and 100 CDs are available for the access of students.

ABHS organizes guest lectures and seminars to equip students for pursuing higher studies. Various workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies.

Apart from this, students are exposed to the first hand information from Associate Directors, Deans, Department Heads and Faculty members from many educational institutes like SUNY, Arkansas State University, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, University of Denver, Pace University and Southern Illinois University. Many academicians have visited our campus and have briefed students about the application process, scholarships and requirements in their respective universities.

CAMPUS COACHING CLASSES

Campus training classes for GATE is being conducted for the II & III year students during Saturday, Sunday and Monday, whereas the GRE, TOEFL & CAT classes are conducted after the regular class hours on the remaining week days.

Even though these classes are for the benefit of our hostel students, interested day scholars are also encouraged to join the classes and they are allowed to stay in the hostel free of cost.

STUDENTS PURSUING HIGHER STUDIES ABROAD

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, NJIT, Carnegie Mellon University, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of Technology, University of Pennsylvania, Concordia University, Leeds University, Florida Institute of Technology, University of Birmingham, NUS, NTU, University of West Virginia, MRIT, University of MTU, McGill University, Clemson University, University of Massachusetts, University of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute of Technology-Germany, etc. Many of our students are also pursuing higher studies in the esteemed institutions like IITs, IIMs, and IISc.

The below table shows the number of students who have got admission for higher studies during recent years:

S.No	Academic Year	No of students
1.	2018 - 2019	111*
2.	2017 - 2018	145
3.	2016 - 2017	165
4.	2015 - 2016	187
5.	2014 - 2015	192
6.	2013 - 2014	187
7.	2012 – 2013	163
8.	2011 – 2012	131

66* students of 2018 – 2019 batch, 61 students of 2017 – 2018 batch, 59 students of 2016 – 2017 batch, 55 students of 2015 – 2016 batch and 43 students of 2014 – 2015 batch of St. Joseph's Institute of Technology have got admission for higher studies.

*This is the number of students who have gone for higher education immediately after the completion of their course while many take up education after one or two years of work experiences in industry.

VALUE ADDED COURSES

Exploration begins for each student when they choose engineering as their career. All courses which are catered for various programs of engineering may not quench the thirst of a budding engineering student. To provide an opportunity for these technocrats to think and accomplish innovations many value added courses (VAC) and workshops are conducted. These VACs cultivate an urge amongst the students and position them to turn into flamboyant professional on the latest trends and rally their technical skills in advanced manner.

These courses offer our students an edge over others and have the following advantages:

- Augments aptitude skills, technical knowledge, ability to think and innovate
- Exposure to recent trends in the core field, augmenting the employability of the graduates
- Strives to inculcate fundamental problem solving skills to encourage the students and make them understand the use of modern research tools

To compete with the recent trends of the current competitive world and to make sure that our savvies are technically stronger, VACs are made mandatory for all our students in their fourth and sixth semesters

Total number of students benefited : 4025

St. Joseph's College of Engineering : 2797 students

St. Joseph's Institute of Technology : 1228 students

VAC is an exclusive 54 hour program that extends over 6 days. This is conducted in addition to the regular working days. The students will be charged a nominal amount based on the course opted. The students who have enrolled for the program, are divided into batches of 30 for better learning.

PROGRAMMING TRAINING COURSES

Learning is the key to knowledge and continuous learning is the constant objective of our institution. Working towards this objective, our college periodically conducts trainings, lectures and various other programs for the wellness of the students. In the present day scenario, all engineers need extensive computational skills irrespective of their engineering stream they are interested in. As most of the industries are keen on programming fundamentals, our college has arranged value added course on core languages as C, Advanced C Programming & Data Structures, Advance Data Structures and Algorithms, CODE Fit Training and JAVA for all II, III and IV year students through E-box, Skill Rack and Six Phrase. E-box is a Technology Enabled Active Learning and Assessment platform for technology and engineering domains.

The training session covers both theoretical concepts and practical sessions for 27 hours of 3 consecutive days. Auto evaluation of hands-on exercises at multiple levels has been carried out periodically and the students are calibrated based on their performance. Also, a training session on Career Development Skills is organized to provide the students with the self-understanding and necessary tools to inaugurate a lucrative career. It ensures the need for academic knowledge and career management skills to be successful at the end of his/her studies.

Total number of students benefited : 6082

St. Joseph's College of Engineering : 4198 students

St. Joseph's Institute of Technology : 1884 students

Quality Improvement Cell

QIC of our institutions, in collaboration with **IIT Bombay** and Anna University, is conducting an online workshop that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, Scilab, PHP, Python, etc. This academic year, students under went the workshop on different domain languages. Following the workshop, students are provided with study materials to help them in facing 45-minute objective type online test. Students cleared the online test and achieved e-IIT Certificate from IIT Bombay. These workshops create awareness and interest among the students in learning the new software.

Total number of students benefited : 5115

St. Joseph's College of Engineering : 3231 students

St. Joseph's Institute of Technology : 1884 students

TECHNICAL WORKSHOPS

To have continuous improvement in technical expertise student are introduced with current trend technology through many workshops in association with reputed industries. It is also conducted through various student chapter organizations of the institution to impart necessary skills. This helps the students for better transition from an engineering aspirant to an engineering professional. These workshops enhance the theoretical concepts learnt by students with hands on real-world sessions as well as provide an outline for many developing technologies that are not included in the course syllabus.

Some of the workshops conducted by different departments for their students this academic year are:

- **Design of SMPS**
- **Electrical Appliances in IoT**
- **PLC, SCADA**
- **ASPEN PLUS**
- **Automation-Internet of Things (IoT) using Raspberry Pi**
- **Robotics with Arduino and Node MCU**
- **Home Automation**
- **Cyber Security**
- **Machine Learning techniques using Raspberry Pi**
- **Industrial Robotics & Automation**
- **Embedded System**
- **Web Development**
- **Importance of TQM for Sustainable Growth**
- **Change is the only dynamic constant**
- **PR 2020: The Management of Reputation**
- **The Art of Making Better Defensible Ecisions**
- **Advanced Total Station**
- **Civil Engineer - A Part of Environment & Agriculture**
- **Role of Geologists in Civil Engineering**
- **LabView**
- **Global Navigation Satellite System Tool**
- **Robotic Process Automation (RPA)**
- **Data Science of Python**

MoU is intended to recognize the general basis for a collaborative working relationship between industries and college. The purpose of MoU is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified below:

- Industrial Visits
- In-plant Training & Special Technical Training to make the students industry-ready
- Guest Lectures
- Mini Projects and Main Project Work
- Research & Development
- Placements
- Internships
- Establishing Industry specific Advanced Labs

To understand the corporate working environment better, our college has signed several MoU's with world class organizations like BSNL, Pantech PRO Labs, CDCE, NSIC, Voltech Engineers Private Ltd, Kriatech Services,

ORACLE Academy, ICT Academy, Butterfly Gandhimathy Appliances Limited, IGP Engineers Pvt Ltd, Gemini Cooling Systems Pvt Ltd, Axis Global Institute of Industrial Training, UDVAVISK Technologies, National Small Industries Corporation (NSIC) Limited, Transun Energy Systems, Signals & Systems (India) Private Limited, Stigmata Techno Solutions, Eye Open Technologies, Red Hat India Private Limited, Pristine Info solutions Pvt Ltd, Pristine Info solutions Pvt Ltd, EMC2, VMWare, Cares Renewable Private Limited, CADD labs, Shibin Exports Pvt. Ltd, V Clin Bio Labs Pvt. Ltd, Armats Biotech Pvt. Ltd, Red Hat Linux, AWS Educate, Salesforce, AROBOT, RETECH SOLUTIONS PVT LIMITED and etc

We also encourage and provide the necessary infrastructure for online courses like NPTEL (National Programme on Technology Enhanced Learning). The credentials gained by students through these value added courses are very helpful in getting a job in the competitive market and shows their preparedness to take up the challenges ahead.

ECO-SOC CLUB

The Eco-Soc Club activity, "ENVIRONMENT QUOTIENT" was organized on 21st August 2019. The main objective of this activity was to foster clear awareness of, and concern about, economic, social, political, and ecological inter dependence. Particularly, to promote for environmentally sustainable, economically efficient and equitably allocated use of water resources. The top 25 students were selected for the main event, namely "Strategy for Water Management Techniques".

The students were divided into 5 groups and given five minutes time to analyse and present their strategy for managing water crisis. The teams were evaluated by the judges on the criteria of oratorical skill, creative ideas, relevancy to the topic and feasibility of the solution. The best team was awarded with certificates and cash prize.

The second Eco-Soc Club activity for the academic year 2019-20, "BUILDING SOCIAL EQUITY" was organized on 17th September 2019. The main objective is to analyse to solve inequality faced by the society as part of the new sustainable development agenda, whose goals are specifically targeted to be achieved by various discriminations. The event started with a preliminary quiz on current affairs. The top 15 students were selected for the main event, "Strategy Planning". The topics covered were: Education Development, Tourism, water management, women in sports and health care. The main event divided the students into 5 groups and were asked to speak on their given topic which was derived from current inequalities faced by the society. The participants gave energetic stances for their case and had executed their case with innovative ideas for building social equity in the society.

The third Eco-soc activity, "STRATEGIES FOR AUGMENTING ECOSYSTEM" was organized on 11th February 2020. The activity was organized to discuss the environmental problems affecting the eco system. And find a solution to bring a balance in our eco system. Preliminary test was conducted and top 25 students were shortlisted for the final round. They were divided into five teams each consisting five members. In the final round, each team were given with a environmental problem and a set of technology to solve them namely cyclone separator, purification device, incineration device, zigfree drone, and purification method. They were evaluated on the basis of feasibility, innovative technique and relevance to the problem. The best three positions were chosen and given certificate and cash prize.

Google Developers Student Club

The Google Developer Student Club is an initiative by Google Developers in association with over 172 universities and colleges, in 90+ cities across India for the facilitation of innovation and to improve the technical and business skill set among students and aspiring engineers. Nikhil Xavier John of 4th year and M. Akshay Kumaar of 3rd year, Department of Information Technology, St. Joseph's College of Engineering, St. Joseph's Group of Institutions were selected as the DSC lead and ML facilitator for the academic year 2019-20 respectively. The Google Developer Student Club includes students from both St. Joseph's College of Engineering and St. Joseph's Institute of Technology.

CLOUD STUDY JAM

Google Developer Student Club organized 'Cloud Study Jam', a two-day certification workshop on 19th and 20th of July 2019 for the selected student members of the 'Google Developer Student Club' from the IT and CSE departments of St. Joseph's College

of Engineering and St. Joseph's Institute of Technology. Mr. Nikhil Madhusudan Raichur, Community Manager, Developer Relations Team, Google, was the resource person of the workshop.

The students were given hands-on training on Google cloud fundamentals and platforms where each student was provided $145 worth of qwik lab credits to perform all required activities and course related work and awarded certificate on successful completion of the course.

EXPLORE ML WORKSHOP

Google DSC and Google AI organized 'ExploreML', a technical workshop on 17th and 18th of September 2019 followed by its advanced session held on 29th January 2020. Akshay Kumaar M III year IT department, Explore ML facilitator (Google) and Google DSC Core team Member, was the resource person of the workshop. This workshop was conducted for 43 shortlisted students from both St. Joseph's College of Engineering and St. Joseph's Institute of Technology. Students were given hands-on training on Artificial Intelligence Students who performed well were rewarded with swags and prizes from Google and a course completion certificate.

GOOGLE DEVELOPER STUDENT CLUB SUMMIT

The Developer Student Club Summit in India was held from 22nd to 26th August 2019, at the Hotel Leela Palace, Goa, India and was attended by Nikhil Xavier John, 4th year Information Technology, St. Joseph's College of Engineering, St. Joseph's Group of Institutions. The summit focused on the development and motivation of the DSC leads to inspire, innovate and inculcate the problem-solving nature in students.

GOOGLE'S EXPLORE ML ACADEMY

Google's Explore ML Academy was held at Google Office, Hyderabad, on 14th and 15th September 2019 and was attended by **AKSHAY KUMAAR M,** 3rd year Information Technology, St. Joseph's College of Engineering, St. Joseph's Group of Institutions. Workshops, solution development activities and training in Artificial Intelligence domain were guided by Google Engineers. The interactive thinking workshop provided solutions for real-world technical problems.

CTS STUDENT CLUB

CTS student club is an initiative by the COGNIZANT in association with over 15 colleges across Tamilnadu for the facilitation of innovation among students and aspiring engineers. This club focuses on bridging the gap between students and the IT industries by providing an exposure of the corporate culture for making the students industrial ready.

CTS aims at improving the technical and business skillset of fellow students by hosting and organizing events and workshops and thus gain relevant industry experience. The CTS student club program stands a foundation for developing skills for students towards employability. In addition to workshops, members also visit schools and spread knowledge on the booming technologies.

Nagarjun M of 3rd year, of CSE and Arockia Praveen J B of 3rd year, of IT, St. Joseph's College of Engineering, St Joseph's Group of Institutions were the leads for the academic year 2019-20. This club targets pre-final year students of IT and CSE departments. The student members are selected through a screening test that evaluates their coding ability and logical knowledge. The student members of this club are assigned with tasks from Cognizant every month and points will be rewarded to the particular college based on their performance and activities. The CTS student club logo and website/portal are designed by the student club members. A report is submitted to Cognizant HR on the activities, workshops and events hosted every month. The active members are

given the opportunity to meet and interact with the IT professionals Cognizant. CTS club conducted 45+ events like workshops on AI and IoT, hackathon, aptitude tests, mock interview, group discussions, paper presentation and project displays. All the members of the club are recognised and certified by cognizant at the end of the 7th semester. All students with active performance and with a good calibre are identified for placement offers by Cognizant with good salary packages.

St. Joseph's College of Engineering CTS CLUB secured the 4th place in 'BEST PERFORMING COLLEGE' with a total score of 1155 in 2019. Nagarjun M of 3rd year CSE won the BEST MENTOR AWARD

St. Joseph's Institute of Technology

The Cognizant student club is launched to bridge the gap between the college students and the corporate to identify the best talents via continuous evaluation. This club from St. Joseph's Institute of Technology collaboratively had students from both IT and CSE departments. Visnunathan C of 3rd year, of CSE and Seetha Raman C of 3rd year, of IT, St. Joseph's Institute of Technology, They select the pre-final year students for enhancing their skills and get prepared for placement. There was a dedicated mentor and SPOC for this club from CTS.

and Vishnuvarathan of 3rd year IT was appreciated for his continual performance and was declared the STAR PERFORMER of the year 2019-20. This initiative provided upright knowledge about the prevailing technologies and moulded the students industrially fit.

The secret to success is the willingness to serve without aspiring for rewards, and we believe this was the main motivation for everybody in the club to achieve success at the end of the day.

St. Joseph's Civil Services Academy

Bureaucracy is the key to good governance and administration. To be a civil servant, a candidate must be given intensive structured training to crack the civil services examinations. Keeping this concern and in order to motivate the students who would prospectively become bureaucrats in the future, our management has taken a larger measure through St. Joseph's Civil Services Academy.

The Academy aims to produce the able bureaucrats who would act as beacon of light for the welfare of the society. The academy aspires to create an avenue for the students to explore the opportunities in Indian Civil Services and Tamil Nadu Public Services (Group I services). The academy trains all of the students at free of cost, those who aspires to be an able and efficient civil servant.

IV YEAR

- The academy has been delivering the consistent training program for our Final Year Students.
- Monday, Wednesday and Friday are the days, the training has been given from 8.00 am to 3.00 pm. (8.00 am- 10.00 am test followed by regular classes)
- Currently, 40 students are taking up the intensive training program towards UPSC Preliminary Examination.
- Periodically, tests are conducted to evaluate the level of knowledge in the subjects.
- TNPSC Group-I Examination 2020: Around 30 Students are going to attempt preliminary examination in April 2020.
- UPSC Examination 2020: Around 30 Students are going to attempt the preliminary examination in May 2020.

III & II YEAR

- The academy has been conducting the UPSC training sessions for one full day of every week in a month.
- The UPSC Aspirants are being assessed by conducting series of test in various subjects like Geography, Economics, Indian Polity, and History & CSAT.

ST. JOSEPH'S DEFENCE OFFICERS ACADEMY

- St. Joseph's Defence Officers Academy aims to develop amongst its students a competitive attribute along with strong academic base with quality teaching and individual attention as its main aim. The academy organises seminars and workshops with the help of defence officers and experts in soft skills to train the Defence aspirants to think, feel and express like a Defence officer. The academy trains all the students free of cost. No fees is collected from the students.

- In order to prepare the aspirants about the availability of various opportunities in all the Indian Army, Indian Navy, and Indian Air Force, the Indian Coast Guard and Paramilitary organisations our Management have arranged various seminars and workshops.

- **On 4th August 2018, Mr. Nanda Kumar V, IRS, Additional Commissioner, Income Tax Department and Lt. Esan, Training Commander and Student candidates** (with their Parents) who got selected in Defence services through SSB exam had presented their experience to our aspirants and cleared their various doubts.

- **On 28th August 2019, our St. Joseph's Defence Officers Academy has been officially Inaugurated by Dr. Sylendra Babu C. IPS,** Director General of Police

– Railways and Lt. Esan, Training Commander, Centre for Career and Uniform Services, Coimbatore. More than 1000 aspiring students attended the inaugural ceremony and interacted with the chief guest.

• On 04.09.2019, we have conducted a screening test for Defence Aspirants, in view of starting classes for the deserving students. The screening test has been carried out to test the ability of students in three different categories i.e., verbal ability, aptitude and general awareness. An equal weightage has been given to all the categories and aspirants have been shortlisted based on the performance.

• On 04.10.2019, Lt. Esan, Training Commander, Centre for Career and Uniform Services, along with his team of cadets, conducted the second round of interview for the shortlisted students. The shortlisted students have been divided into 13 batches on the basis of 15 per batch. Each batch has been called for group discussion to discuss a topic. At the end of each batch presentation, Lt. Esan briefed about their performances and guided them positively.

Saturday Activities

Every Saturday in the college is a wonderful opportunity for students to showcase their talents. This day serves the dual purpose, as an alternate for the routine classroom and to develop their skills. The day starts with placement training for all the students. The students participating in Saturday activity are divided into two different groups. The first group stays back at the college and the second group is headed towards an orphanage or old age homes.

Pre - Placement training programme:
All students who are participating in the Saturday activities will undergo pre-placement training. Preplacement training will be for a duration of 2 hours. Students will be trained by the experts in the area of quantitative aptitude, verbal and soft skills.

Soft skill activities:
The first group of students, who is staying back in college, are further divided into groups with six student organizers to coordinate the activities. The rooster system is followed and every student is given a chance to be a student organizer during his stay in the college for four years.

These six students will conduct various activities focusing on developing the communication skills of students and making them void of stage fear. This programme envisioned by our Chairman has proved to be an effective tool to inculcate leadership qualities. Here the students apart from developing their confidence levels also use this as a platform to collaborate with others. The activities are planned at different levels for students at different stages based on their year of study.

Communication skills:

For the first year students, the main focus is on developing communication skills and instilling confidence. The student organizers start from basics like memory games, tongue twisters, and shipwreck. Then they slowly move on basic grammar using the play way method and translation games. They listen to audio and video clippings which would serve the dual purpose of motivating them and teaching them language. Peers scaffold them and help them to come out of their shells. Students are trained to influence and convince others, to discuss and reach agreement. Awareness of achievements, abilities, values, weaknesses and what one wants out of life is also done through sessions designed to analyze their self. They develop the competencies needed for current and future roles.

Interpersonal skills development activities:

For the second year students the focus is on developing soft skills. Various activities are conducted to create awareness and develop their efficacy in handling situations. Students have various activities like role play, channel surfing, quiz, debate, technical puzzles.

They are trained in developing a positive attitude, team skills, adaptability, personal integrity, negotiation skills, critical thinking and personality development. They start recognizing and respecting different perspectives. They accept responsibility for views & actions and by now they are able to work under their own direction & initiative. They start generating new ideas and solutions.

Employability skills:

The focus for the third year and final year students is on employability skills. They are given various communication activities to express their ideas clearly and confidently. They also participate in various team activities which would help them to work confidently in a group. Students enrich themselves with problem solving techniques and would be able to act on the initiative; identify opportunities, proactive in putting forward ideas & solutions. They are trained to adapt themselves to changing situations. Students are trained to prioritize and manage time effectively. They are also trained in written and oral communication. Thus, all these activities help in making students more employable and competitive in the global market.

NGO activities:

The second group of students, who are visiting orphanages and old age homes, shed all their inhibitions and mingle with the children there and spend some quality time with those children. St. Joseph's Group of Institutions offers a special Biriyani with sweets and ice cream to all inmates of the homes. It indeed teaches the Josephites how much we are blessed and motivate us further to reach out to the under privileged and do something for them.

St. Joseph's விழிவெள்ளி
(NGO - Non-Governmental Organisation Activities)

To give to the needy is true charity. All other gifts have a nature of measured return. Each human being has equal opportunity to have a peace living. Every one of us should give more to private and charitable effort to eliminate poverty. Our Chairman desires for extending his support to the homes for the aged people, children suffering with cerebral palsy and orphanages through **St. Joseph's விழிவெள்ளி** a non-governmental organization. Also, he wants to invoke the service mind of student community by encouraging visits to these homes. For the academic year 2020 - 2021, **St. Joseph's விழிவெள்ளி** has committed to contribute more than **Rs. 85 lakhs** towards the developments of these homes by the way of infrastructure developments, teaching and learning aids, food and cloth requirements. We are also going to support the Primary Health Centers, Panchayat schools in and around our college. For the past eight academic years, more than 100 NGOs including 80 Orphanages, 15 old age homes and 10 CP children homes in and around Chennai have been visited by our student volunteers for the academic year 2019-2020, we also visited Primary Health Centers and support to the needy peoples. All these visits gave our students an awareness of the existence of poor, downtrodden lifestyle and also a feeling to acknowledge their own good fortune and created a sense of duty towards those less fortunate which is the need of the hour for our country's development. Further, it makes the young mind to serve the needy and there by make them responsible citizens for the past eight academic years.

Our college has continuously arranged several visits each semester for various homes. St. Joseph's has sponsored around **Rs. 75,00,000** and the students have willingly volunteered and whole heartedly spent around **Rs. 15,00,000** which was utilized in a useful manner by offering the basic needs such as rice bags, groceries, toys, cloths, pillows, medicines, etc. for the inmates. For the past eleven years, our college has continued to provide snacks in the evening to the students of Government Higher Secondary School, Semmencherry. Panchayat union middle school Navalur. Also we are providing breakfast for Government higher secondary school, Sholinganallur. Our student volunteers are involved in evening classes along with school teachers for the children studying 10th standard in that school. In the SSLC and higher secondary public examination, the school results were improved and this year also we expect more than 90% pass.

To motivate the young minds in the professional higher education, we have conducted more than 10 events for school children in our college campus. In this event more 10000 school students were participated and benefited. During this event students were involved various activities such as, Programming, Project exhibition, Quiz competition, Essay writing etc. For this event, entire cost for food and transportation meet by our College.

St. Joseph's விழிவெள்ளி is committed to serve the following

   a) Infrastructure
   b) Food and Clothes
   c) Teaching and Learning aids
   d) Medicines and Sanitary Requirements
   e) Provisions
   f) Other needs

Our college offers special lunch (both vegetarian and non-vegetarian dishes with sweets, savories and ice creams) to all the inmates of Orphanages and old age homes. Our students are provided with transport facilities to visit the homes on activity Saturdays. All the students, from first year to final year both UG and PG enthusiastically participated and mingled with in mates of the homes and spent their daytime with them share their happiness. They also spend their pocket money in a useful manner by offering needy things to the homes. We wish to continue this service forever!

We wish to continue this service forever.

T10kT PROJECT- IIT BOMBAY

In 2019, St. Joseph's College of Engineering (RC ID-1581) was recognized as IIT Bombay's Remote Center for hosting IIT Bombay's online workshops under "The T10kT project" funded by the NMEICT (National Education Mission through ICT). It helps faculty members to constantly upgrade themselves to learn about advancements in their field and to understand best practices to facilitate the best possible learning and to benefit from each of the programs. The use of online and unified approach allows learners to complete a significant portion of online training, thus reducing the amount of time that must be spent on face-to-face synchronous interaction.

Celebration

Special Occasions

ONAM

The festival of rice harvest was celebrated on **5th September 2019** with great spirituality and delight. All Malayali students participated with enthusiasm on this special occasion. Our Beloved Chairman attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu included aviyal, erussery, pulissery, nenthram pazham and different types of payasams.

IFDHAR

Our College celebrated Ramzan on **12th May 2019.** All the Muslim students in our college underwent fasting within the campus. The early morning food called as "Sahar" according to the Muslim custom, was served with delicious dishes by the college in the mess at 4.30 a.m. In the evening, the Muslim students were served for "Ifthihar" with dates, cool drinks and porridge as a sign breaking the fast. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

TEACHERS DAY

Our College celebrated the Teachers day as a special occasion from **August 26th to Sep 5th 2019**. The students entertained their respective department's faculty members with unique shows on that special day. Our Management gave gifts to all the teachers of our college as a token of appreciation.

Vinayaka Chathurthi

Our college celebrated Vinayaka Chathurthi on **2nd September 2019,** by decorating Ganesha's statue of our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Chairman's family. Delicious food was offered to the Lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion filled with all blessings of Ganesha.

AYUDHA POOJA

Our College celebrated Ayudha Pooja on **5th October 2019,** by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the Laboratories and Office were beautified with plantain trees, mango leaves and glazing papers followed by a pooja in the presence of Chairman's family. The remarkable part of this celebration was the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift vouchers for deepavali were distributed on the day of Ayudha pooja to Administrative staff, Technical staff, Non-Technical staff, Drivers, Sweepers, workers in the mess and daily wage workers.

DEEPAVALI

The festival of lights is celebrated with full delight and enthusiasm. Deepavali is the most expected festival by all. This year the festival of lights was celebrated on **25th October 2019.** On this special eve, a grand lunch with exotic dishes ranging from mouth lingering sweets to delicious deserts was served.

KAARTHIGAI DEEPAM

This festival is celebrated on the full moon day in the Tamil month of Kaarthigai. This festival is known for brightened lights lit all over the place signifying growth and prosperity. The deepam celebrations took place in our college on **10th December 2019** with lamps lighted by the divine flame that is believed to fend off evil forces and escort ecstasy.

PADI POOJA

The festival was celebrated on **10th December 2019** by decorating the holy steps of Ayyappa with flowers and silk clothes and lighting traditional lamp. The Chairman, Staff and Students attended the pooja and "irumudi" was tied to those who went to sabarimala. Traditional songs were sung in pooja and a grand feast was given to those who attended pooja.

CHRISTMAS

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. The Christmas celebrations

took place in the college campus on **20th December 2019.** On Christmas day, a special mass was conducted in the college chapel. The celebrations included a rhythmic performance from the college choir and an add-on surprise package by Santa Claus. The staff and students were completely spellbound with the Christmas gratification and the day was called off with a hearty lunch.

PONGAL

Pongal is an occasion that is believed to chime in the opulence. It is renowned as a thanksgiving festival for various Hindu deities. "Thai" is the first month of the Tamil Almanac where the joy-filled Pongal occasion comes. The celebrations in the college took place on **11th January 2020.** The day's lunch was served with different varieties of Pongal. Indeed, Pongal is a festival of freedom, peace, unity and compassion crystallized in the last hymn on unity in the Indian spiritual text the Rig Veda.

HOSTEL DAY

It is one of the most awaiting occasions of the year at St. Joseph's. This wonderful day was celebrated in the college on **15th Feb 2020** with lots of events conducted for both boys and girls in their respective hostels. The hostels were decorated with colour lamps and balloons making it more eye-catching. Cricket, Volleyball, Basketball, Kabaddi matches were held and the winners and runners were awarded with cash prizes. Cultural events such as singing, skit and dance were performed in the presence of our beloved Chairman. Matches and other events were conducted 3 days prior to hostel day.

Special dinner and snacks was served to the hostilites.

UGADI

Our college celebrated Ugadi on **25th March 2020**. The Telugu New year festival popularly called as Ugadi comes close on the heels of Holi. This day of celebration is marked by religious religious fervor and social jollity. Special dinner was served for the hostel students. Exotic dishes made with raw mango went on well with the occasion. Ugadi which is considered to be the most auspicious time to start new ventures was indeed a cheerful and a memorable celebration to be remembered by the staff and students of our college.

EASTER

Our College celebrated Easter on **13th April 2020.** Easter is the springtime holiday marking the rebirth of Jesus and the renewal of the Christian faith. A special programme was conducted by St. Joseph's Fellowship in our college Placement Cell which was attended by students and staff. The celebrations started with worship songs and prayer. Heartfelt wishes were shared among everyone and ended off with holy blessing of God.

TAMIL NEW YEAR

Our college celebrated Tamil New year on **15th April 2020.** The Tamil New year festival is popularly called 'Puthandu'. It is the celebration of the first day of the traditional Tamil calendar. The day is marked with feast and decorated with kolams. Special lunch was served to all as a part of celebrations.

Achievers Day

Achievers day is celebrated every academic year during the month of April, in which students who brought laurels to the College during the academic year are honoured and rewarded. Achievers Day for the Academic year 2019 - 20 was celebrated on 30th April 2020. The students who won various competitions have been invited.

St. Joseph's Volley Ball Academy

St. Joseph's Volley Ball Academy was started by St. Joesph's Group of Institutions in the year 2013. It has been the best team from the year 2014 due to the untiring efforts of its trainer, Mr. Jayaprakash S.

St. Joseph's Group of Institution was integrated with Veludayar Higher Sec. School which is located in Tiruvarur district in the year 2014.

The volleyball team won the first place in 'B' Division Tournament conducted in the year 2015 and it was selected for 'A' Division Volley ball Tournament due to the Encouragement, Guidance and Constant support from

St. Joseph's Group of Institutions.

During 2017-2018, its noteworthy to mention several outstanding teams like Karnataka Postal, Chennai Customs, ICF Chennai Departments etc. have been defeated by our Academic team.

In the Anna university Inter Zone Tournament, the Volleyball team defeated Panimalar Engineering College and Chennai team emerged as "CHAMPIONS" and there were SIX PLAYERS who were selected for all India Inter University Tournament who represented the Anna University Team and also the all India Inter Colligate Tournament in IIT MADRAS. Our team defeated Panimalar Engineering College in straight sets of (25-23 , 25-18 , 25-15) and finally emerged victories. In another tournament of SVCE Trophy, our team defeated Panimalar Engineering College in straight sets and marched towards victory.

Selvavinayagam V, Sugunan S, Subramani V, Balachandar K, Vignesh S represented Anna University in south zone inter University tournament and secured third place, they also secured second place in All India University Tournament.

These victories are attributed to the sincere hard work of **St. Joseph's Sports Academy.**

St. JOSEPH'S SPORTS ACADEMY
(Affiliated to Kanchipuram District, Amateur, Athletic Association)

Annual Report of
St. Joseph's Sports Academy 2019

Our Sports Academy was established in the year 1999 with an initial strength of **25 boys** and **25 girls** under the stewardship of **Dr. P. NAGARAJAN,** our Chief Coach along with his sports minded committed deputies.

The perseverance and hard work of the athletes, the sincere and dedicated efforts of our coaches and tremendous encouragement by the parents were recognized by **St. Joseph's College of Engineering**. It was a great dream come true for the **Chairman Dr. B. BABU MANOHARAN** when Prime Sports Academy was adopted by St. Josephs College of Engineering in the year 2003. Today it is wholly owned by **St. Joseph's group of institutions (St. Joseph's College of Engineering & St. Joseph's Institute of Technology)** and it is popularly known as the **St. Joseph's Sports Academy.**

There was no looking back for the academy since then, bettering achievements year after year, and the academy has produced more than 34 International Athletes growing from strength to strength and to swelling number of over 300 athletes. The parents have extended their fullest co-operation for the formation of the academy. The academy extends their heartfelt thanks to the **Managing Director Mrs. S. Jessie Priya** and the **Director Mr. B. Shashi sekar.**

26
years of Excellence
Since 1994

St. Joseph's Group of Institutions

Before sharing the outstanding athletic achievements of our academy, we are proud to enumerate the various projects introduced by St. Joseph's College of Engineering to encourage and support the budding athletes.

1. SPORTS HOSTEL : - We have started our sports hostel in the year **2006** with the strength of **40 athletes.** It is the first private sports hostel of its kind in India. Now the hostel consists of **60 athletes** with the achievements in National and International competition. The vision of the sports hostel is to produce first Olympic Medal for India in Athletics.

2. SCHOLARSHIP SCHEME :- This was introduced in the year **2005.** There were about **27 athletes** all over Tamilnadu who performed excellently in National competitions. They are identified under the scheme. These athletes were awarded **Rs. 10,000/-** each (i.e. **Rs. 5000/-** worth kit and other benefits **Rs. 5000/-** cash). These athletes were trained by various coaches who extended their services in the nook and corner of Tamil Nadu and their services were recognized by this academy without nullifying their basic interest. In the current year the total amount spent under this scheme is **Rs.1,60,000.**

The following are the athletes who are going to be benefited this year.

- **Dr. G. Rohini and Mrs. S. Tephillah** Participated in the two days online webinar on "Research Structuring, Statistical Insights & Publication Strategies" organized by National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu from 28th to 29th November 2020.

- **Dr. G. Rohini and Mrs. S. Tephillah** Participated in the three days Faculty

Development Program organised by Programme Monitoring Office –Innovation & Entrepreneurship Development programme from 20th January 2021 to 22nd January 2021

at EDII-TN, Chennai.

VALUE ADDED COURSES
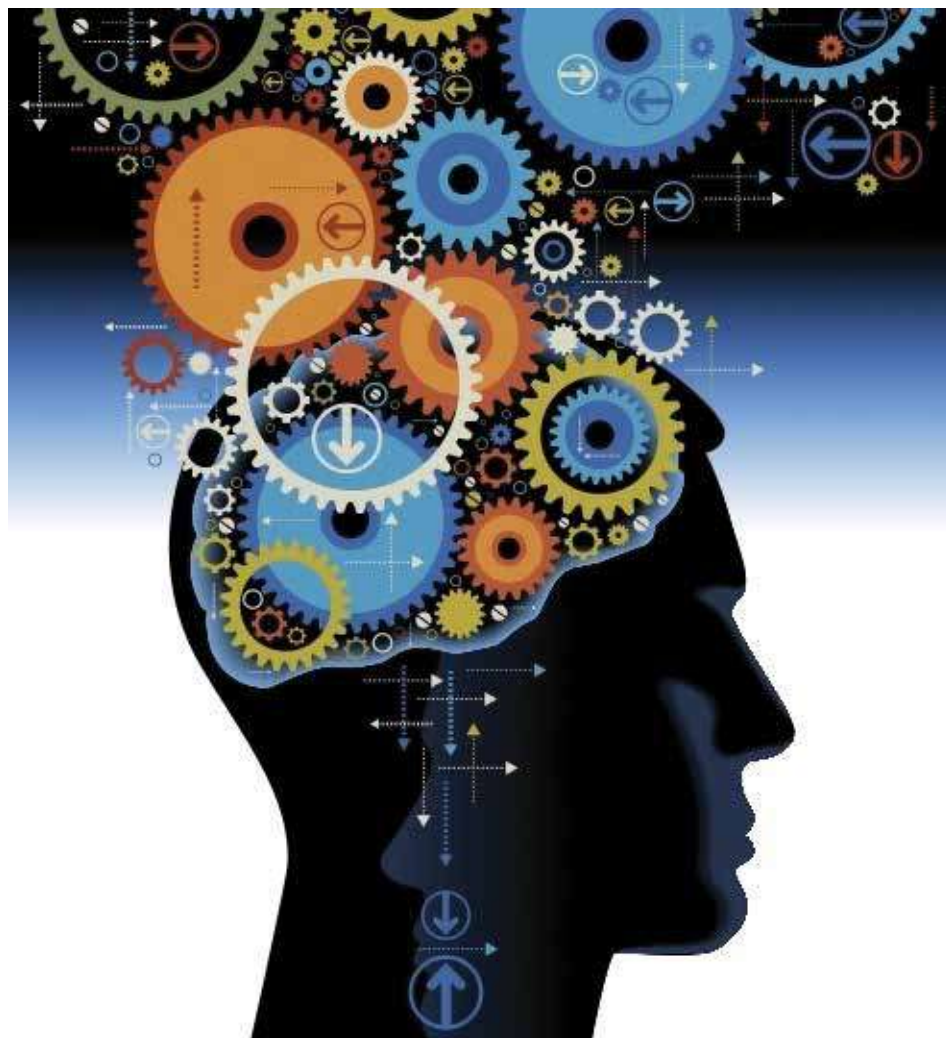

Engineering as a career entails enormous measures of exploration. Though many programs are catered to quench the knowledge needs of students, supplementing the curriculumis a great way forward to better equip them. These programs had been planned for the holistic development of students through academic flexibility. In this regard, Value Added Courses (VAC's) and Workshops help strengthen these technocrats with opportunities to think and accomplish innovations beyond their curriculum. These VAC's inculcate an urge amongst students to turn them into flamboyant professionals expertized in the latest trends and uplift their technical skills to an advanced level.

These courses offer our students an edge over others and have the following advantages:

Augment their aptitude skills, technical knowledge, ability to think and innovate

Expose them to recent trends in the core field, augmenting the employability quotient of the graduates

Strive to help lay strong foundation to problem solving skills, thereby encouraging the students to explore and understand the applications of modern research tools

To get accustomed to the recent trends in this competitive world and to bridge the gap between curriculum education and industry demands, VAC's had been made mandatory for all our students in their respective fourth and sixth semesters to make them technically stronger.

PROGRAMMING TRAINING COURSES

Learning is the key to gain knowledge and perpetual learning is the constant objective of our institution. Pursuing this objective, our college periodically conducts training, lectures and various other programs to technically upgrade students. The recent status quo requires all engineers to have extensive computational skills irrespective of the engineering streams they pursue. The ongoing pandemic should not hamper the technical pursuit of students. Since most of the industries are keen on programming fundamentals, our college had strategically planned for the technical courses to be delivered to our students in online mode amidst the on-going pandemic. A course on C Programming was conducted in online mode for all the **II year students by Stellar Academy**. Intensive training on core languages such as Advanced C Programming, Data Structures and JAVA was conducted in online mode for **III and IV year students** through **E-box** (a Technology Enabled Active Learning and Assessment platform for technology and engineering domains), **Skill rack and Six Phrase.** These online platforms were immensely helpful for getting our students technically trained. The training sessions include both theoretical concepts and practical sessions virtually throughout the academic year. Auto evaluation of hands-on exercises at multiple levels had been carried out periodically and the students are calibrated based on their performance.

Future Skills Industry Connect includes various programs like **Robotic Process Automation (RPA) by Blue Prism, Wipro Future Skills** program collaborated with **NASSCOM** on key areas like AI, IoT, Cloud Computing and Cybersecurity and **Cognizant Digital Base** Program on core skills like Web Technologies, RDBMS, Java, C#, Cloud that nurture and prepare our students industry-ready. All these had been either delivered or in progress through various company specific online platforms.

Online training sessions on Career Development and Life Skills had also been organized to better equip our students about various modern tools and make them self-understand to build a lucrative career for themselves. The knowledge gained through regular academics and via these training sessions on Career Development and Life Skill sensures them to not only secure jobs but also paves a way for their long-term growth & development in their profession.

QUALITY IMPROVEMENT CELL

QIC of our institution, in collaboration with IIT Bombay and Anna University, had been conducting online workshops that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, Scilab, PHP, Python, etc. To ensure that learning and training are not obstructed during lockdown, the students are motivated to undergo the workshop on different domain languages in online mode. Following the workshop, students are provided with study materials that help them in attending a 45-minute objective type online test. Students clearing the online test are awarded with an e-IIT Certificate from IIT Bombay. These workshops create awareness and interest among the students in learning new software.

TECHNICAL WORKSHOPS

For prolonged improvement in achieving technical expertise, students are introduced to current trend technologies through a bouquet of online work shops in association with reputed industries/ industrial personnel. Various Student Chapter Organizations of the institution had been actively involved in imparting the necessary skills. By introducing new concepts and technologies, they spur the student participants to investigate it further on their own, or can demonstrate and encourage the practice of actual methods. This helps them to better transit from engineering aspirants to engineering professionals. These workshops reinforce the theoretical concepts learned by students with hands-on real-world sessions to provide an outline for many developing technologies that are not included in their curriculum. Recently active student learning happens over online mode and many courses/industrial related trainings are continuously being delivered to students amid this pandemic.

Workshops on multidisciplinary thrust areas have been conducted by different departments through online mode for their respective students in this academic year:

- **Big data Analytics**
- **Developer Essentials – What a Junior Developer/Intern should know before joining an IT Company**
- **Into the World of React and React Native**
- **Python for Data Analysis**
- **Industrial automation using PLC and SCADA**
- **MATLAB and Simulink for Electrical Engineers**
- **Raspberry Pi**
- **Realizing Virtualization and Cloud**
- **Introduction to MATLAB**
- **Digital Image Processing Fundamentals using Python**
- **Medical Image Processing Rudiments and Open Databases**
- **Embedded Control using Enhanced Mid-Range PIC Controller to Interface Sensors and Transducers**
- **DeMystifying Deep Learning**

DEVELOPER STUDENT CLUBS

The Developer Student Club is an initiative by Google Developers in association with over 182 universities and colleges, in 96 cities all across India, for the facilitation of innovation among students and aspiring engineers. On behalf of Google AI's Explore ML program, **Akshay Kumaar M, 4th year, Department of Information Technology,** St. Joseph's College of Engineering, St. Joseph's Group of Institutions is selected as the **Machine Learning Lead Facilitator** for the year 2020-2021. The webinar series on Generative Adversarial Networks was conducted as a part of four week from 6.30 pm to 7.30 pm. The resource person Mr. Siddharth Thangaraj shared his valuable expence The Webinar on "Placement Career Guidance" was commenced on 29-05-2021 from 3.00PM to 4.00 PM. The resource person Mr.Harish Babu, motivating words through this webinar. His presentation was very motivating and kept all the students at ease. **A Firebase workshop** for the second ,third and final year Google club student members from Information Technology, and Computer Science Engineering departments of various colleges was organized on 29th May 2020 from 06:00 PMto 07:00 PM. Another webinar was conducted titled 'Introduction to Deep Learning'. enabling the students to get skilled in Deep Learning techniques and to build amazing portfolio projects.The club for the betterment of the students initiated a webinar hosted by St. Joseph's Institute of Technology, St.Joseph's Group of Institutions with almost 500+participants during the pandemic by **Mr. M. Britto Aruldoss, Director of Treasury IT, Americas for Credit Suisse, USA** on the topic "The Impact of Artificial Intelligence Machine Learning". The webinar was hosted live in You Tube.

COGNIZANT STUDENTS CLUB

COGNIZANT STUDENT CLUB REPORT

The CTS student club aims at improving the technical and business skillset of fellow students by hosting and organizing events and workshops and thus gain relevant industry experience. The submitted to Cognizant HR on the activities, workshops and events hosted every month. The active members are given the opportunity to meet and interact with the IT professionals at Cognizant. **The 4th edition of the Student Club started in Jan 2020 and was for a period of 12 months. More than 500 students** were engaged from nearly 15 colleges across Chennai. **CTS club of St. Joseph's college of engineering conducted 150+ events like workshops** on AI, hackathon, aptitude tests, mock interview, group discussions, paper presentation, online coding challenge, seminars, slack communication, Article writing and project displays. **The CTS CLUB of St Joseph's college of engineering secured the 2nd place in the "BEST PERFORMING COLLEGE" for two consecutive months with a total of 1650 and 1640** in the month of April and May respectively under the leadership of SOMASUNDER S of 3rd year, Department of IT and ALVIS F of 3rd year, Department of CSE. St. Josephs Institute of Technology has also been an actively participating college since year 2017. Students from IT & CSE departments are encouraged to be part of this club. The college supports students, for all the events that are conducted as part of the Club. On a note of the 4th edition of **Cognizant Student's Club-2020, more than 70 events were conducted with equal participation from IT and CSE departments of the St Joseph's Institute of technology. The pandemic did not hamper the ongoing of the club and it continued with 70% of the club activities being conducted virtually.** The months of March, April and May were the most fruitful with various club members receiving Star Performer awards. **St Joseph's college of engineering aced to 4th POSITION with 3595 points among the top 5 performed colleges. St. Joseph's Institute of Technology got the 5th place with 3395 points in the highly competitive club performance for the overall 4th edition of CTS club and secured an overall ranking of 3** in the month of February and **4th rank** in the months of March and May while competing with other participating colleges.

St. Joseph's
CIVIL SERVICES
ACADEMY

Bureaucracy is the key to good governance and administration. To be a civil servant, a candidate must be given intensive structured training to crack the civil services examinations. Keeping this concern and in order to motivate the students who would prospectively become bureaucrats in the future, our management has taken a larger measure through St. Joseph's Civil Services Academy.

The academy aspires to create an avenue for the students to explore opportunities in Indian Civil Services and Tamilnadu Public Services (Group I services). The academy trains all the students free of cost, those who aspire to be an able and efficient civil servant.

Achievements

Our student **Ms. A. Vijayalakshmi,** 2010-14 Batch, Department of Computer Science Engineering, has secured 24th Rank in the **TNPSC Group - I (2017)** of Tamil Nadu Government. She has been appointed as **Assistant Commissioner of Commercial Taxes** (State GST Department) in Kumbakonam, Tamil Nadu.

St. Joseph's
DEFENCE OFFICERS ACADEMY

The academy organizes seminars and workshops with the help of Defence officers and experts in soft skills to train the Defence aspirants to think, feel and express like Defence officer. Also, our academy scheduled a plan to train our aspirants physically and psychologically during this academic year.

St. Joseph's Civil Services Academy and St. Joseph's Defence Officers Academy have arranged various webinars and workshops during this pandemic period as listed below.

1. Conducted A 3- Day Workshop on **"Role of Electrical Engineer in Space Agency", by Mr. Roger Hunter (Program Manager, NASA, California, United States), Mr. A Benzigar Rajan (Scientist, ISRO, Tamilnadu, India) and Mr. Goutam Chattopadhyay (Senior Scientist, NASA-JPL, California, United States)** from 14/05/2021 to 16/05/2021.

2. Conducted a Webinar on **"Career Opportunities for Engineers in Indian Navy" by Commodore P. C. Maragathavelan, Chief Quality Assurance Officers (Eastern Fleet Stores), Indian Navy, Visakapatnam** on 04/06/2021.

3. Conducted a Webinar on **"Engineers Make A Difference" by Mr. Siddharth Thangaraj, I.R.S., Deputy Commissioner, GST & Central Excise Customs, Tirupur** on 27/06/2021.

Mr. Roger Hunter, a renowned Program Manager at NASA talked about the role of Electrical Engineer in Space Agency on May 14, 2021.

Mr. A Benzigar Rajan, Senior Scientist, ISRO, Tamil Nadu, India addressed the aspirants in a workshop on the role of the Electrical Engineer in the Space Agency on 15th May 2021.

Mr. Goutam Chattopadhyay S, Senior scientist in NASA, presented a webinar on The Role of Electrical Engineers at Space Agencies On 16th May 2021.
