ST. JOSEPH'S DEFENCE & CIVIL SERVICE ACADEMY

Defence Academy aims to develop our student's competitive spirit along with strong academic base with quality teaching and individual attention. The academy organizes seminars and workshops with the help of defence officers and experts in soft skills to train the Defence aspirants to think, feel and express like Defence officer. To be a civil service officer in the Government, a candidate must be given proper over all training to crack the civil services examinations. Keeping this concern, It aims to produce able bureaucrats who would act as beacon of light for the welfare of the society.

Infrastructure

Buildings, classrooms, laboratories, and equipment- education infrastructure holds great significance, especially when it comes to providing various facilities to students for educational purposes.

Our department undoubtedly understands the importance of infrastructure in the student's and faculty's life. Our classrooms are well-ventilated and equipped with the latest & modern teaching aids that offer just the right atmosphere for learning.

Our auditorium can accommodate more than 2,000 people and is filled with a state-of-the-art acoustic system with a centralized air conditioning system so that the students can comfortably attend international and other important events. To have convenient lectures and activities the students are provided with spacious conference and seminar halls with appropriate seating to facilitate discussions, potential collaborations, etc.

The laboratory is furnished with the latest hardware and software to keep up with the pace of the changing technology. Hence the students are offered all the crucial elements for a great learning environment.

The library is the Learning Resource Centre, which is the heart of any Academic institution, our library is well-stocked with more than 10,000 books that enrich the students with the latest business and general knowledge.

GUEST LECTURE

Vaishni Venkatesh
Assistant Manager-Corporate Sales
Naukri.com

Guest lectures have long been known for their possibility of enhancing student learning. For this reason, prime importance is given to inviting experts with good real-life experience as guest lecturers. They provide the students with alternative perspectives, opinions, and personal experiences so that Students acquire the insight and standpoint of the guest lecturers. It is a great opportunity for the students to meet successful & Dynamic personalities to learn from them in diverse ways. Students build significant connections between what they have learned and the real world. In classrooms, the students get to study the concepts, and guest lecturers provide them with a more comprehensive view of the real-life problems that take place in business and how they faced such problems and also put forward the solutions, which is a superior way for the students to grow their thoughts and innovative skills.

NGO Visit

Our college usually provides special lunch (Both Vegetarian and Non Vegetarian with sweets, savories and ice creams) to all the inmates of orphanages, old age homes and homes for CP children

Internship Carried out

The purpose of the internship is to provide the students a learning experience through practical work and an understanding of workplace culture. Our department has provided students the internship opportunities from leading companies like WNS, Times of India, ZOHO, Business Standard, etc. And even before the summer internship started, most students were already placed as interns. These internships benefit students in many ways like helping them gain valuable work experience, preparing them for the future of work and success, the ability to put knowledge and skills into practice, and the value of networking within the workplace. Our department takes great effort to guide the students in developing technical and soft skills, Adaptability and Resilience, Problem-Solving and Decision-Making Skills, etc. Through regular activities like case study discussions, seminars, and project reports in class, students easily prepare themselves for the work environment.
