DEPARTMENT OF IT

Being a part of St. Joseph's Institute of Technology has been an incredible journey that helped shape my skills and knowledge in programming. The SkillRack platform provided by the college played a crucial role in my learning, allowing me to solve over 4000+ programs and gain a deep understanding of coding concepts. Additionally, the HOPE (House of Programming Enterprise) initiative helped me master Data Structures and Algorithms, enhancing my problem-solving abilities. I am grateful to my professors and peers who supported me throughout this journey. The guidance and opportunities provided by the institution have been instrumental in my growth, and I am confident that future batches will continue to benefit from these initiatives.

Automation developer Worldline

DEPARTMENT OF IT

My journey at St. Joseph's Institute of Technology has been truly transformative, shaping both my technical expertise and professional outlook. As a proud graduate of the Information Technology Department (Batch 2020-2024), I am immensely grateful for the unwavering support and guidance provided by my HOD and faculty members. Their dedication to student success played a pivotal role in equipping me with the skills and confidence needed to excel in the industry.

The institution provided an exceptional platform for holistic development, encouraging me to participate in technical

events, hackathons, cultural programs, and leadership activities. These experiences not only enhanced my technical proficiency but also helped me cultivate essential interpersonal and problem-solving skills, which are invaluable in today's dynamic industry.

Even amidst the challenges posed by the pandemic, the college ensured uninterrupted learning through robust placement programs, industry-oriented training, and career guidance sessions. This proactive approach greatly contributed to my professional growth, ultimately leading me to begin my career as an Automation Developer at Worldline.

I sincerely appreciate the faculty, mentors, and peers who played an integral role in my academic and professional journey. The knowledge, values, and experiences I gained at St. Joseph's will always remain a cornerstone of my career.
